Troup Presents Luther

The Distinguished Artist Series will include a presentation of John Osborne's "Luther," a play to be performed by the Alpha-Omega Players of Dallas, Texas. The epic will be presented with a minimum of props and costumes in Hamrick Auditorium on March 2.

Starting in "Luther" will be Barbara Lowry, Scott Avery, Jim Graves, and Craig Torrence. The

Alpha-Omega Players, Repertory Theatre of America, traveled more than 600,000 miles in the last four years and presented more than 2,000 performances in 45 states. This ranks them as one of the most active touring theatre groups in the country. Drexel H. Riley is the producer-director of the group.

Selected highlights from Osborne's "Luther" will portray this sixteenth century "angry young man" in a passionate struggle with his own conscience and his revolt against the authorities of the Catholic Church, which led to Protestantism. Luther was searching for a faith to hold when he became best with disbelief in The Establishment — a search with which many young people in today's struggle can identify.

Though Martin Luther provoked bitter controversy, not to mention 200 years of religious wars, Osborne's play about him provoked no particular controversy in its original London and New York presentations. Audiences of all faiths regarded it not as religious history, nor even as a biography, but as a sweeping drama of size and power about the most profound human feelings.

The play won the New York Drama Critics' Circle Award and the Tony Award of the 1963-1964 season. The English playwright, John Osborne achieved world renown with his play "Look Back in Anger" in the mid-1950's and also is authorship of the Oscar-winning movie, "Tom Jones."

Student nomination and election of the five general officers for the Student Government Association 1972-73 will be held during March. The executive body includes a President, Vice President, Secretary, Treasurer, and Chief Justice. The nominations for election must be made by petition only and the deadline to submit all petitions is Friday, March 3. All petitions must bear one hundred Association signatures and they will be received by the Secretary of the Association.

Alpha Nu Omega Reorganized

After many weeks of hard work reorganizing Alpha Nu Omega, this club officially became "Alpha Nu Omega, Inner-Club Council of Gardner-Webb College" on February 8, 1972.

The club's stated purposes are to unify all campus activities, coordinate organizational activities, initiate new projects and club participation, promote interest and participation of inactive organizations, co-ordinate the schedule of organizational meetings, and facilitate communication among campus organizations.

A recognized club is one which has been approved by a majority vote of the Inner-Club Council and the Student Life Committee and has complied with the policies set forth by the club. A club which is not recognized has no right to the meeting places on campus, the financial guidelines of the college for clubs, and is therefore not recognized or non-existent.

There are many clubs on campus which have no record of being in existence with the Student Activities Office, or with the Inner-Club Council. These clubs will be dropped from record if no one is notified of their intention of membership in the Inner-Club Council. They must meet the requirements which include submitting a constitution of their club.

MACK President Visits Campus

Mr. Zeanon Hansen, President and Chairman of the Board of Mack Trucks Incorporation, made his first visit to the campus of Gardner-Webb College February 15. He was presented an Honorary Lifetime membership in the Bulldog Club, by Dr. Robert Litton, president.

Since the bulldog is the Mack Truck Advertising symbol, Mr. Hansen took an interest in Gardner-Webb and flew down on his Lear jet to Shelby, greeted by students and cheerleaders, he was taken to the President's home for a dinner with the SGA senators, officers, and judicial board.

Mr. Hansen came as a guest of Coach Holbrook to the game played against UNC-Asheville. He presented the college with a sculptured bulldog, no. 31 of a limited edition of 100.

All nominees will be screened as authorized by the SGA Constitution.

The qualifications for President as stated in Article VIII of the Constitution insist that the President be a member of the Association and have at least a 2.50 G.P.R. the previous semester and a 2.0 (on a 4.0 scale) overall standing at Gardner-Webb at the time of election and be free from disciplinary probation. Also the President must be a rising senior at the time he/she takes office.

The qualifications for Vice President and Chief Justice are the same as those specified for the President. The Secretary and Treasurer must be a member of the Association and have at least a 2.0 (on a 4.0 scale) overall standing and be free from disciplinary probation. The qualifications for the offices of Secretary and Treasurer also specify that they have at least a rising junior at the time of election.

The primary election will be held on Wednesday and Thursday, March 22-23 which is the third week following the close of nominations. The purpose of this election is to eliminate all the candidates, except the two for each office receiving the highest number of votes; also each tied nominee for the first or second place shall be a candidate in the general election. Should a candidate receive a simple majority of the votes cast and there is a clear winner in the primary election, he will be declared elected and there will be no general election.

Campaigning by the candidates will take place during the two weeks prior to the primary election. Nominations which have been approved in accordance with the Constitution will be posted by the Secretary one week prior to the elections. The campaign speeches will be heard on Thursday, March 16 in an assembly session.

The general election will be held on Tuesday and Wednesday, March 28-29, the week following the primary election. The primary and general elections are conducted by secret ballot and the returns will be posted one day following the day on which the election is held.

The Senate met on February 8, 1972 and the order of business included the replacing of three senators who had resigned. David Kirdehal will replace Phil Hopkins as a senior senator. John Fowler will replace Ricki Barker representing the Junior class, and Bob Thomas was appointed to the position of senator-at-large replacing Tommy Way.

The Student Government Recreational Facilities Committee presented their income statement for 1972. The revenue brought in included \$1,066.66. This included \$540.96 from flipper machines, 78.35 from the football machines, \$60.05 from the jukebox, \$362.71 from the pool tables, \$20 from the vending machines, and the total profit included \$1,034.26. The money was used to pay for the pool tables and also in the upkeep of the equipment.

The proposed SGA Administrative Budget was presented to the Senate. The budget is submitted as the initial request of the SGA. It reflects anticipated administrative needs for the 1972-73 year and does not reflect the total overall needs of all facets of student government. The submission of this administrative budget was hopefully a beginning step which will lead to expanded allotments by the college, directly applicable to branches of student government and covering student related expenses presently included in the budgets of various administrative departments of the college.

Items under the Account for SGA Administration include \$3,500.00 for assistants, \$600.00 for an office secretary, \$100.00 toward office maintenance, \$500.00 for office supplies and printing, \$325.00 for office equipment, \$240.00 for the office telephone, \$100.00 for publications and \$300.00 under contingency.

Other items included under SGA Conferences were \$700.00 for SGA Conferences and \$300.00 for SGA Leadership. The proposed budget does not include the Entertainment budget which is a separate account. This needs from this year and the anticipated needs for next year. The budget was submitted by president Jeff Cranford.

Career Day Scheduled

A Career Day on Wednesday, March 29, 1972 is being sponsored by the Board of Advisors of Gardner-Webb College, the first of its kind on this campus.
