Bulldogs Close Season In Blaze Of Glory . . . Coach Holbrook vacating his chair for a space on the floor in front of the bench shouting instructions to his men . . Will Moore coming off the bench and bombing Western Washington with leaping act for valuable rebounds

By BILL BOYD

An early Sunday morning de-parture in total darkness for Kan-sas City, then five tournament games sprinkled with moments of glory, periods of defeat, spine tinging thrills, and then back home on another Sunday laden with a national trophy, nation-wide pub-licity for Gardner-Webb all added up to the most outstanding week in the history of Gardner-Webb

No one really knew how great Adams, Spagnola, Graves, Thomas, DeSanctis, Thurston, Jones, Moore, DeSanctis, Thurston, Jones, Moore, Dugger and Ellis really were until the final whistle in Kansas City. Despite winning 28 and losing only three there was some question as to how strong Coach Eddie Holbrook's men were. Could they stand the strain of facing the best in the country? in the country?

Saturday night, despite the fact they did not win a national title, no one doubted that the Bulldogs were first class and among the elite in the nation's basketball cir-

The same questions clouded the figure of George Adams. Was Adams as great as G-W releases claimed? Was he truly an All-American deserving nation-wide recognition?

This question was also answ This question was also answered with a resounding YES. Adams not only made the all-tournament team, but he socred 184 points in five games, pulled down 70 rebounds tops in the tourney and scored a game high of 44 points. Time and time again he pulled the Bulldog forces together with his

or his "turn-around" jump shot which left much taller opponents hanging in mid-air as the ball ripped

ped the nets.

Adams took a 33.8 average into
the tournamenet, an average that
some said was padded on weak
teams. This notion was biotted
out when the big man from Kings
Mountain averaged 56.8 against
five of the finest teams in the nation, including 44 against the number two team in the NAIA. No one person could claim all of the credit for the Bulldog's

showing, but junior Al Graves did more than his share to bring honor and glory to Boiling Springs. Graves, used sparingly this season, Graves, used sparingly this season, broke into the starting line-up in Kansas City and promptly had games of 24, 29, 21, 10 and 14. He was as some said, "unconscious" shooting with uncanny accuracy. Graves had himself a BIG tourna-

A Fitting Tribute

Coach Holbrook looked up into the moistened eyes of George Adams, big and powerful on the court, feared by some of basket-ball's greats but yet humble before the one who had done so much for kinn.

George, I will keep it for you until we get back home," said each Holbrook, not quite understanding the meaning of the big

"No coach, I want you to keep it for ever. I want you to have it," said Adams.

"George you won that, it is probably the most important thing you have ever been given," replied Holbrook.
