

Rick Nelson-Helen eidy For Homecoming

The Entertainment Program, under the direction of Rob Grant, Treasurer of the SGA, concurs itself with movies, concerts, and coffeehouse performances.

MOVIES

Twelve movies have been selected for the 1972-73 school year. These films have been chosen from Warner Brothers of Burbank, California. "A Walk in the Spring Rain" was shown in Hamrick Auditorium on Thursday, August 24 during orientation week. It was estimated by Tom Poston, Director of Student Activities that approximately 100 students were in attendance. It is definite that a series of four John Wayne movies will be shown in the near future. Others which will be shown are Alfred Hitchcock movies and "Bonnie and Clyde." In addition to these contracted movies, cartoons, slap sticks, and other features will be presented at the scheduled monthly brunches.

CONCERTS

Several concerts have been scheduled for the fall semester. Opening weekend on campus August 25-27, there were two concerts given. Denny Brooks performed on Friday night and Henry Grossand the "Stories" performed on Saturday night. In October a

group called "Fanny Hill" will be on campus. Presently plans are being finalized to have Rick Nelson in concert for Saturday night on Homecoming weekend. Other tentative plans for this weekend include a ball and the appearance of Helen Reddy in concert. Future concerts for the Fall semester include the reappearance of Charlie Byrd on October 31 and the "Re-Generation" on November 21.

There will also be various mini-concerts throughout the year. The term mini-concert is used to denote a concert held in Hamrick Auditorium and the group's price will range from \$750 - \$1500. Mr. Poston stated that "A mini-concert is not to be interpreted as inferior, but should be interpreted as a group with a good sound on their way up." These groups will have been evaluated by NRC, SUGSA, and other National College Entertainment Organizations.

COFFEE HOUSE

During summer school a student committee was organized by the SGA to determine the guidelines for a Gardner-Webb Coffee House. The committee consisted of Chairman, Candy Cline, Doug Myers, Bill Cooley, Gayle Davis, John Fowler, and Carolyn Williams. The guidelines were to determine the use of the facilities and the procedures and regulations. The coffee house will provide an informal setting for coffee house entertainment to meet the needs and wants of students.

The scout hut adjacent to Manning Residence Hall is being secured for \$750 from the Bolling Springs Baptist Church and this will serve as the meeting place. The upstairs of the hut includes a fireplace. The downstairs will have a "bar" for serving cokes. Also, there are small rooms which can be petitioned off as game rooms or conference rooms. According to Dandy Glady, chairman of the guidelines committee, the coffee house will be used as "needed."

It will serve as a place for after-game get-togethers, rap sessions, and club parties. The coffeehouse entertainment does not confine itself exclusively to the Coffeehouse Circuit Acts, but is also open for student talent. Contact has been made with the North Carolina and South Carolina Coffeehouse Circuit Coordinator, Mike Ely of Appaloosa State. The coordinator is available talent, prices, and dates for the fall semester. These acts are available for one hour, two hour, two night, or full week engagements, depending upon the student desire for the particular talent. Only recognized Gardner-Webb student club groups will be permitted to use this facility remembering that the coffee house use has first priority.

Paul Miller 's Mandolin Wine will appear in a coffeehouse performance September 21-23. The time and place will be announced.

Tentative Chapel Assemblies

The SGA will be in charge of the weekly chapel assembly on September 19. This will be a meeting to inform students concerning SGA happenings.

A preview of tentative chapel programs for the first semester a program featuring Miss June Hunt, the College Director at the First Baptist Church in Dallas, Texas will be on campus October 10. The college chorus will perform on October 17 and Founder's Day is slated for October 24. Also the

presentation of Homecoming Queen Candidates will be on October 24.

November will involve a concert featuring "The Regenerations" on November 7. The college Ensemble will be in charge of the chapel program for November 28. On December 5 Dr. Charles Roddie, the President of American Baptist Seminary in Nashville, Tennessee, will be on campus to speak in the weekly chapel assembly.

RECREATIONAL FACILITIES ADORN STUDENT CENTER

Frank Page, a senior from Greensboro, is the Student Recreational Facilities Coordinator. He will be coordinating and managing the use of the equipment.

The recreational facilities in the bottom of the CID now consist of six flipper machines, two pool tables, three ping pong tables and two foosball tables. The ping pong is free while the pool is 2 cents for each minute.

These facilities will be open from 9:00 A.M. until 11:00 P.M. Monday through Friday and from 9:00 A.M. until 5:00 P.M. on Saturday. Any comments, suggestions,

or complaints can be directed to Frank Page or to the student worker in the supervisor booth. These facilities are for the Gardner-Webb College family only and I.D. cards are required.

The Bulldog Room in the bottom of the CID is to be furnished and the furniture has been secured. The corner of the main lounge will be a sitting area including a red and black carpet, three large black sofas, three large red lounge and chairs, three end tables, three lamps, several colorful wall pictures, and three to six ottomans for students to prop feet on. Also a television will be placed in this lounge.

SGA Room Refurnished

The Student Government Room, CID-113 is to be furnished with beautiful tables and matching "copper" chairs. The furniture is being purchased by your SGA to give the SGA Senate and Judiciary a most attractive meeting place.

The exposed woodwork of this furniture is oak having a Royal oak finish. The table tops are laminated plastic. The size of the table being used is 90" long and 36" wide at a height of 29". The chairs have cushions in the seats and in backs which are covered with black vinyl.

The furnishings would set the Student Government Room up permanently with the schedule of this room being co-ordinated by the Student Activities Office. The SGA Senate and Judiciary Body will use this room for their meetings as called for by the SGA Constitution and bylaws.

The furniture was purchased from Southern Desk Company, a division of Drexel Institutional Furniture of Hickory, North Carolina. Chairs were \$47.00 each, tables were \$120.00 and the speaker's stand was \$84.85. In addition to this, two flags on stands with engraved bases, which were donated by Alpha Epsilon Chapter, Delta Kappa Gamma in memory of Mrs. O. Max Gardner, will be used to add to the decoration of the room.

Steve Riddle, a senior majoring in data processing, is the president of the student body of Gardner-Webb College for the year 1972-73. He was born in Burlington, N. C. and is the son of Mr. and Mrs. George B. Kattink. He was very active in his high school, being a member of the Monogram and Key Clubs and an active participant in their sports: football, weight lifting, wrestling, and baseball. In fact, he played all conference baseball for three years and was chosen as most valuable player. Steve also volunteered in his high school student council.

He entered Gardner-Webb in the fall of 1969. Involvement seems to be a key note in this young man's life. While here at Gardner-Webb he has been active in the National Student Register, Alpha Nu Omega, and is now serving as president of Alpha Chi. He was a member of the Student Handbook and Orientation Committees and contributed much to both of these.

Some of Steve's special interests include golf, tennis, computer programming, and a desire to learn more about flying. During the summer months he had the opportunity to work as a technician in Wesley Long Hospital Operating Room, as well as the chance to work for a lawers agency in Winston-Salem, N. C. It is evident that this young man has had experience in working with other people and enjoys do-

ing so. Steve has a great deal of enthusiasm about the possibilities this year will bring to SGA and exhibits an earnest desire to give his very best as your student body president. Let's do our part by pledging our support, cooperation, and participation to Steve and the other SGA officers during the year of 1972-73.

Frank Page is the Student Recreational Facilities Coordinator managing the equipment in the bottom of the student center.
