Student Union Board

As the Senate convened on January 16, Senator John Taylor, chairman of the Student Union Board Committee introduced legislation which will create a Student Union Board.

The purpose of the Board is to expand and to coordinate the social, cultural, recreational and educational opportunities for the members of the GWC community. It will be composed of an executive chairman, vice-chairman, secretary, standing committee chairman and a faculty member.

The executive chairman will be elected as SGA officers are elected and will have specified qualifications as set forth by the SGA Constitution. Bob Grant will serve as chairman for this year.

Meeting twice a month, the Board will report its activities to the Senate. Its standing committees shall be: Popular Artist Committee, Coffeehouse Committee, Publicity Committee, Cultural Committee, and Arts and Crafts Committee.

The formation of this board requires the ratification of the SGA. The Senate voted unanimously in favor of the creation of the Student Union Board.

Steve Bowen was nominated to replace Senator Szevank who has resigned from the Senate. Bowen was approved and will be given the oath of office during the February meeting.

Students are reminded that the Senate meetings are open to the public and it meets in 113-CID the

second Tuesday of each month at 6:30 p.m. Minutes are posted on bulletin boards in the CID and the resident halls.

Coffee House Entertainment

Edward, Harding and George will be appearing at the GWC coffee house February 5-7. They bring a creative folk rock sound with original and known material accompanied with acoustical guitars and electric bass with an occasional sound from a mandolin or recorder.

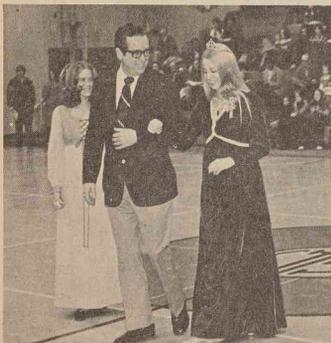

Edward, Howard, and George have cut albums in Canada and are now touring various colleges in the Eastern U.S. to gain exposure. The University of Tennessee, Indiana University, and the University of Pittsburgh have been a part of the

tour and the reviews from the tour range from "great" and "excellent" to "best group of the year."

The group's style is similar to that of Simon and Garfunkel, the Beatles and Seals and Crofs. Harding states that the group is not out to make any heavy social statements. It seeks to make music that is enjoyable and easy to listen to.

The reviews agree that the group fulfills this hope. It has a soft sound with a performance that is polished and well-arranged and a fine musicianship which continually pleases the audience.

Patti Fisher Reigns As

Holiday Tournament Queen

Patti Fisher, of Charlotte, was selected to reign over the Seventh Annual Gardner-Webb Holiday Tournament.

Patti, a freshman, is an elementary education major. She is an experienced model and was very enthused over being chosen as Queen.

"It was so unexpected that I couldn't believe it," said Patti.

Patti was sponsored by the Monogram Club and was crowned by Dr. E. Eugene Poston at half

time of the championship game.

A miniature gold bulldog was presented as a memento of the occasion.

The court included Lanita Wright, a junior from Shelby and Linda Albright, a sophomore from Timonium, Maryland.

Lanita was sponsored by the United Methodist Youth Fellowship and was a member of last year's Holiday Tournament Court. Linda was sponsored by the cheerleaders.

"Gospel Road" Premier Aids GWC Students

Twentieth Century Fox has announced that the February 14 world premier of Gospel Road at Southpark in Charlotte, will be a benefit for the Gardner-Webb Student Aid Fund.

The film is based on the life of Christ and was produced by singer Johnny Cash in Israel. Cash narrates the film which features his music. His wife, June Carter Cash, portrays Mary Magdalene who is also a featured soloist. Director Robert Ellisross portrays Christ.

The premier will be open to patrons of the college who are contributing to the GWC Student Aid

Fund. These 300 patrons will include several out-standing North Carolinians who will be entertained at a reception prior to the film.

GWC students were able to preview a 16 mm copy of the film on January 9. Harrick auditorium was filled during the showing and the majority of viewers were pleased with the unique approach of the film.

Unusual photography was cited as the film's greatest asset. Students commented on the film's portrayal of Christ as an emotional being. The joys, anger, and pain of

Christ's life were evident throughout the performance.

Most viewers commented on the fact that Christ was shown as a fair skinned and light haired man. Some cast members lacked the Jewish characteristics of that period such as beards and long hair. It was commented by one viewer that the film required a previous knowledge of the Bible to be fully understood.

It is hoped that the film will be shown again on campus during the semester. Following its premier at Southpark, the film will also be shown in Tennessee.
