Homecoming '76—Entertainment At Its Best

Homecoming '76 gets off to a start tonight at 8 p.m. when the group "Carnival" performs in the Bost Gym-

nasium. This will be a dance and all students will be admitted free with their ID's. On Saturday, October 16

a variety of activities are offered. The Homecoming Football game with the Catawba Indians begins the

events for the day, the game begins at 2 p.m. in the afternoon. The 1976 Homecoming Queen will be crowned during the half-time ceremonies and the Homecoming Court will also be presented. (At press time elections were still being held, so the outcome would not be determined.) Those girls vying for title of Homecoming Queen are: Yama Bane, and Pam Wilson.

The Master of Ceremonies for the Homecoming festivities will be Randy Kilby. The Bulldog band will provide music and guest soloist will be Rick Webb.

Open House and Dormitory visitation will be held in the designated areas Saturday from 5-7 p.m. There will be a contest between the dorms and classes for the best decorations. A \$10.00

prize is to be awarded to the class and dormitory with the best decorations, the winners to be announced at half-time of the football game.

Entertainment for the evening starts at 7:30 in the Bost Gymnasium with the comedy team of Skiles and Henderson. They perform what they refer to as their "Pillow Comedy Concert," not only performing their own kind of zany humor but also adding some crazy sound effects.

Following Skiles and Henderson will be the Wright Brothers Overland Stage Co., a sensational group that performed here at Gardner-Webb last year and is back again. Tickets for the evening shows are \$5.00 for visitors and admission for students is free with their ID's.

The Wright Brothers Overland Stage is back again at the Webb. A Homecoming Concert is planned for your enjoyment Saturday night in Bost Gym at 7:30.

Williams' places G-W over personal recognition

In a move that surprised everyone, Dr. Craven Williams announced that he would forego the traditional formal inauguration and utilize the monies appropriated for that purpose (\$15,000) for strengthening

the educational and cultural aspects of the college.

The money breaks down this way. \$3,000 will be given to the Student Government Association for the purpose of improving student life here on campus.

SGA President Bill Baucom says "that a committee of students will be appointed to recommend how and when the money should be used." \$5,000 to be given to the library for the acquisition of new material. \$3,000 to be used for a faculty teaching workshop. \$4,000 to be used by the faculty to attend summer workshops and professional meetings. Those faculty committees concerned are the Educational Policy Committee and the Professional Affairs Committee. Dr. Williams feels that "this program will affect the entire college and will bring forth benefits that will endure for a significant period of time."

Pilot's policy set forth

It will be the policy of the Pilot to print the truth, no matter who it involves no matter where it leads. As the official voice of the students of Gardner-Webb College we are open to air all students' problems and also to inform the students on the workings of all phases of students life as it pertains to this campus. Editorials will be accepted if written in a manner which reflects some maturity on the part of the writer. All editorials must be signed and unless the need is dire the writer's name will appear underneath his views. Editorials

should be sent to P.O. Box 720 campus mail.

The Pilot being committed to the truth will always look for the good in things and praise that good. Committing itself totally to the student, the Pilot will not take sides in partisan national, state or local politics. The only views printed will be those that directly affect the student life here on campus.

All clubs are invited and encouraged to submit to the Pilot any club news, but the Pilot reserves the right to edit and possibly deny any story.

College performance groups begin concert season

The Chamber Chorus under the direction of Dr. Phil Perrin begins its Choral Season Monday evening at 7:30 with a concert at the First Methodist Church in Rutherfordton, N.C. They will be taking part in the Logan Preaching Mission which is a revival.

The Chamber chorus is a mixed choral group whose members must audition for positions. The group besides singing sacred music also sings a variety of secular pieces. After Monday's performance the groups next concert won't come until a 1 p.m. performance in Concord, N.C. at the Memorial Baptist Church on Nov. 17. Two more shows are scheduled that same day. A 3:00 p.m. concert at Icard's Baptist Church in Connelly Springs, N.C. and a 7:00 p.m. concert at Putnam Memorial Baptist Church in Shelby, N.C.

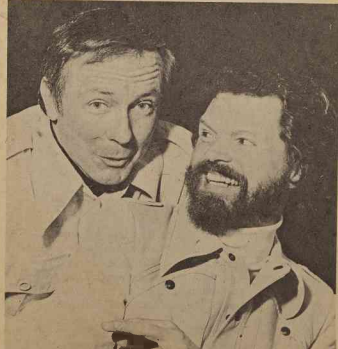

John Williamson of Durham, Barry Greene of Hickory, and Dwight Loomis of Lenoir, all trumpet players, provide the musical aspect of the programs. They are accompanied by Terri Saltz.

The College Chorus, also under the direction of Dr. Perrin, begins its Concert Season in late November. The first home concert is planned for Monday, November 22 in Dover Chapel. Accompanists are Sylvia Pittman and Robin Mikalunas. The Choral Clinic is planned for Nov. 9 at Boiling Springs Baptist Church with the Dr. Robert L. Burton of Southwestern Seminary as the leader. Over 400 high school students will attend the clinic.

Auditions for the trip to France have been completed and 43 persons will represent Gardner-Webb. The trip is scheduled for May 17-June 7. Gardner-Webb was given an invitation to attend by the Ambassador of France with the trip sponsored by the French Minister of Culture and Education for the purposes of sharing cultures and interpersonal relationships.

Don't forget!

There are two big events that are coming up and one of them is not Homecoming. This week mid-term exams were being given yesterday and today. Then the next week, October 21-22 is Fall Break. Mid-terms are designed to give the students a progress report on his work in his class. Mid-term occurs at the halfway point in the semester. This gives students enough time to bring up failing grades and to clear any incompletes received in the upper half of the semester. Mid-term is not a system of prevention that can ultimately help the student if it is taken in the right spirit.

Skiles and Henderson provide laughs, laughs, and more laughs tomorrow evening at 7:30 in Bost Gym.
