Letter to the people that support the Bulldog Club from Frank Beam:

I would like to express my appreciation to the administration, the Board of Directors, and members of the Bulldog Club for the great support they have given to Gardner-Webb athletics. They have meant a great deal to our athletes-as they have developed in athletics and in education.

We look to the future with great anticipation as we plan for our new building complex. We feel this will increase our membership in the Bulldog Club. Our goal for 1979-80 is to grow in membership and to make this the best year ever. LET'S ALL BE WINNERS BY SUPPORTING THE BULLDOG CLUB!
