Funny Man Don Reed

## Don Reed To Appear At GWC

Special to The Pilot

Don Reed is a busy man and after completing both TV and film projects, Don shows no signs of slowing down.

Selected among the many who auditioned, Don was chosen to perform on The First Annual Showtime Comedy Festival. His performance caught the eye of both Bill Cosby and Malcolm Jamal-Warner. Cosby put his writers to work, and they came up with a script written around a character Don performs in his stand-up. He was flown to New York and guest starred in the season finale of The Cosby Show.

After winding down an active season as the recurring character, Chip St. Charles on

A Different World, Don went to work on last summer's CBS series The Beach Boys Endless Summer.

In addition to those appearances, Don was featured on the Robert Townsend HBO Specials: "Partners in Crime" Parts III and IV. In Part III he created, wrote, and acted in his own segment entitled "The Twi-Laff Zone." His performance in the special inspired Cherry Coke to use Don as this character in a national television campaign.

With the feature film Hollywood Shuffle under his belt, Don will star in War Dancing, a film choreographed by Paula Abdul that will be released later this year.

Don's scholastic explorations went from religious training to chiropractic school to speech classes to forensics to drama--Then he discovered comedy!

Having found his niche, Don worked on creating a comedy routine that was original. "I wanted my act to be squeaky clean. So many people depend on dirt--but to have an audience completely won over and rolling with a clean show is a lot more difficult and a lot more powerful!"

On the road, Don is one of the most powerful comedians on the college circuit. The Student Entertainment Association invites you to share in this unforgettable experience as Don invades Gardner-Webb in Wednesday, April 18, at 8:00 pm in the Dover Theater!

Don will most definitely...pump up the jam!

THE CONCERT EVENT OF YOUR LIFE!  
Friday, April 20th

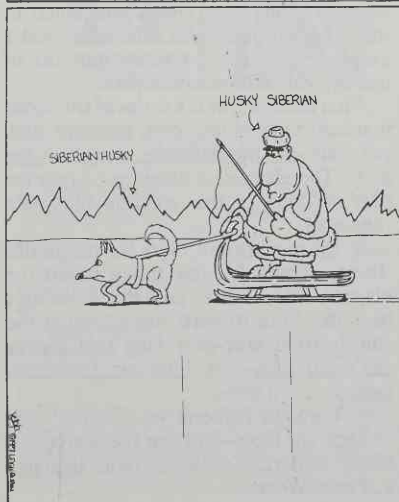

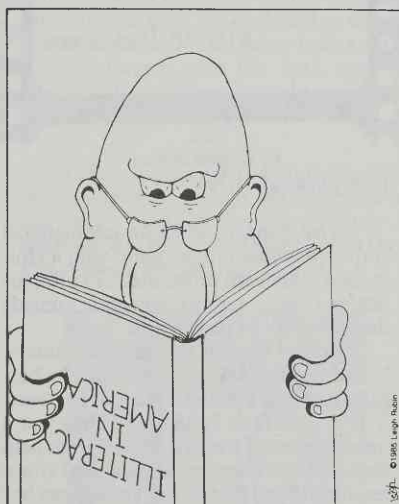

## THANKS!!

The S.E.A. would like to thank all the participants in the concert committee's survey for "Webb Jam" bands. Upon further contact with the agents of these bands, we found that they were unable to work with the April 20th date. At the time of the survey, we were informed that each of the bands listed had possible openings. Thanks again for your help! We think that our chosen band, "The Cast of Beatlemania," will leave a certifiable mark on this campus!
