### Special to the Pilot

Eddie Lee Wilkins--Basketball All-American in the 1980's and second all-time scorer, with 2,361 points as well as 1,103 rebounds. Wilkins went on to professional basketball, spending five seasons with the New York Knicks. Wilkins currently plays in the Italian league and hopes to return to the NBA next season.

Jerry Bryson--A GWC baseball coach from 1966-1980 with a 305-87 win/loss record. Bryson guided the Bulldogs to three conference championships. Several of Bryson's players went on to professional careers; six were drafted or signed from the 1972 team.

## What Confucius Never Said , but Might Have

by Kevin Walter

Staff Writer

- Two birds in the hand is no where near the worth of one in the stomach.
- "A penny saved is a penny earned," but you can't buy air with a penny, so you might as well fill up a jar with them and use it as a paperweight.
- "Within every cloud is a silver lining," and it is as wet as we are after the rain falls.
- If a friend jumped off a bridge, would you? No. So if that friend got Frito pie, would you? I think the answer is obvious.
- If at first you don't succeed, fail, fail again.
- When a tree falls in the forest and there is no one there to hear it, yes it does make a noise (trust me I wasn't there to hear it, but I did.)
- It takes between 275 - 278 licks to get to the center of a Tootsie Roll Pop, not 2 licks and a bite (true fact).
- Pizza, Pizza.
- Two wrongs don't make a right, but three lefts do.
- When in Rome do as the Romans do; when at Gardner-Webb do as the seniors do, eat out.
