

The Pilot staff would like to wish everyone good luck during final exam week. I would like to share with you a quote, called Attitude, that helps me get through the tough times. I hope it will encourage you to do your best in all life throws your way.

Attitude

by

Charles Swindoll

“The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or skill. It will make or break a company. . .a church. . .a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past. . .we cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. . .I am convinced that life is 10% what happens to me and 90% how I react to it.”

Have a safe and happy Christmas break!
