

Top Ten University Goals For the 1997-98 Year

10. Promote the recycling effort by allowing students to re-use old term papers.
9. Change 50 resident parking places to faculty spots.
8. Buy ten new Gardner-Webb Ford Tauruses with money left over from increased parking sticker fees.
7. Co-sponsor a NASCAR team with Spam.
6. Dig 16 new holes in the quad and put fences around them.
5. Create work-study positions for students wanting to ring the bells in the carillon.
4. Find out if DAKA is really the same company that owns Fuddrucker's.
3. Install video cameras and bugging devices in dorm rooms to closely monitor visitation.
2. Collect another \$20 million and spend it on tin cans and strings to replace BTI's services.
1. Provide a meal plan with even fewer options.

The Good, the Bad and the Ugly

(the best and worst at GWU)

What's good...
campus technology
moving into the
21st century

What's bad...
ditches, fences and
manholes in the quad

What's ugly...
customer service
from DAKA
and BTI
