On March 22, faculty, staff, members of the Noel Program, board of trustees members and guests joined Frank R. Nanney and his family to commemorate the groundbreaking of Nanney Hall. (Above) President Bonner, Frank Nanney, Cheryl Potter and Rance Henderson, vice president of the board of trustees "break ground" for the new Nanney Hall which will be constructed behind Withrow and Craig. The building will house the Noel Program for the Disabled along with offices and classrooms. It will be wheelchair accessible and student-centered.
