

Question of the Week:

What do you think about the limitation on graduation tickets (only three tickets per graduate)?

"Its sad if you can't invite your relatives to come to the ceremony, especially because many of them have helped finance y o u r education...I understand there is limited space, but this isn't the best policy."

CHANDLER SNYDER, senior

Heidi Bing/The Seahawk

"Weather permitting I think the ceremony should be outside. There is the question of 'where?' though because we don't have a stadium. It's said that we have to deal with limited tickets and I think alternative solutions should be sought."

JEFF ORRELL, senior

"I don't have a problem with [the policy] personally, because I have a small family. I doesn't seem like there is really a place to have graduation outside and I'd want to be inside anyway."

"I come from a large family...I feel that three tickets is not sufficient for a family of my size. Since most of the people here are in-state, most of them have families who have the opportunity to come. I think an outside ceremony would be perfect."
