WOW: the only three-letter word that can describe the entertaining match between the UNC Wilmington men's soccer team and the Richmond Spiders. In the first Colonial Athletic Association matchup for the Seahawks on the season, UNCW mounted a solid attack to beat the Spiders 1-0.

The game itself was filled with enthusiasm from both the players and fans. The fierce rivalry between the two teams resulted in a fantastic display of both skill and determination. This match marked the first time since 1989 that UNCW knocked off Richmond.

In the first half of play, UNCW went toe-to-toe against the now 6-3 Spiders. "I think we played the best game of the year," commented Tommy Miller, captain of the Seahawks. Animosity between the two teams was evident through physical play. Three yellow cards were called against the Seahawks; however, numerous fouls were committed on behalf of both teams.

The first half could also be characterized as defensive in nature. The Seahawks seemed to rely heavily on their strong defense, which consisted of Nikola Milivojevic, Miller, Jeff Palmer, and Michael Clarke. Sophomore goalkeepers Harry Staven and Bill Mills also contributed to the defensive effort by combining for a total six saves.

At the half, the hard fought battle resulted in both teams returning to the locker room scoreless.

The second half opened with increased intensity and emotion. Richmond launched a fiery attack which dwindled after Martin Kleppe, midfielder for the Seahawks, unleashed an excellent shot that drilled the back of the net at 58:35 in the game. Charles Brooks aided Kleppe with the assist. "Charles passed the ball, I screamed for it and the keeper was going to the opposite corner. It was good," exclaimed Kleppe.

After the shot, the momentum of the game seemed to shift in favor of the Seahawks. Richmond, becoming frustrated with their play, began to increase physicality. How-

ever, the Seahawks seemed to handle the onslaught with poise and class. When the battlefield was clear, the Seahawks emerged victorious.

"Any win is a big win for us. I told the players keep working hard and it will turn around," said Keith Cammidge, head coach of the Seahawks.

With this win, the Seahawks obtain a record of 2-4-1 and 1-0 in the CAA.

The Seahawks travel to Buies Creek for their next match against the Campbell Camels. Cammidge said, "We've got at least 13 more games left...that's going to be the focus after tonight." Beating Richmond catapults the Seahawks into the rest of the season.
