### Phi Eta Sigma inducts new members

Sixty-three sophomores and two faculty members were inducted into the UNCW chapter of the Phi Eta Sigma collegiate scholastic honor society, in a ceremony at Dobo Hall on Oct. 14.

To qualify for membership in the society, a student must attain at least a 3.5 grade point average with no grade lower than a C on a full course load during their freshman year of college. Faculty inductees are selected on the basis of outstanding undergraduate instruction and are elected by a three-fourths majority vote by the student members of the chapter.

The two faculty members honored for teaching ability and dedication to excellence in scholarship were Carl Lundeen, Jr., associate professor of biology and Peter Schumann, assistant professor of economics and finance.

"I'm really pleased," Lundeen said. "This is a case where the brightest students have honored you."

The induction ceremony was conducted by the current officers of Phi Eta Sigma: Adam D. Landers, president; Megan E. Heame, vice president; Christie A. Coggins, secretary; Henry Lee Cherry III, treasurer; David Mondanaro, senior advisor; and W. Lee Johnston, faculty advisor.

Sixty-three new members of Phi Eta Sigma were inducted Oct. 14 in honor of their academic strength.

Melissa Wets, president, Jackie Roberts, vice president; Krista Hardison, secretary; Angela Stokes, treasurer; and Erica Weil, historian.

"The idea (of the society) is to fuel you, to give freshmen a goal, something to keep working for academic success," Wets said.

Following the initiation service, inductees were honored at a banquet held in the Warlock Center Ballroom. Paula Kamenish, associate professor of English, gave a brief speech titled "Instructions for a Successful College Career."

Nov. 10-12, Wetsig and Johnston will fly to Baton Rouge, La. for the National Phi Eta Sigma Convention. The convention is held every other year.

"We'll meet other advisors and students from around the country," Wetsig said.
