

## Student Government is now accepting applications for the 2001-02 Executive Board:

### Treasurer

oversees the handling and allocation of over \$390,000 of student fees

### Secretary of Services

monitors and maintains all existing Student Government services (ACE, Tuesday Teas, free FAX services, etc.) and works to create new services

### Secretary of Technology

recently created position is Webmaster for the Student Government Webpage and works for the technological interests of the students

### Secretary of Public Relations

advertises Student Government events and maintains positive public relations with the University

### Attorney General

responsible for the SGA Constitution, parliamentary procedure, and prosecuting all violations of Student Government policies

**Applications are due by 5 PM on Friday April 23rd in the SGA Office (UU 200)**

All applicants must have completed 27 semester hours by the beginning of next fall. Interviews will then be set up after the new President takes office.
