

What do you think about campus dining options?

Chris Eiben

"I like the made-to-order vegan stir-fry at Wagoner. In general, for campus, I think they do a pretty good job."

Kim Jenko

"It's good, but it could be better, health-wise."

Wayne Montoya

"I think it needs more variety and I think it needs to be healthier. I think we should have better juices and they should be less syrupy."
