

FROM THE SIDELINES

with STEVE PITT

Intramural softball for boys should be getting under way very soon according to Mr. Hackney. The girls will be playing volleyball again this year.

I would like to offer my congratulations to all the Sports Day participants. In considering all the other functions occurring last Saturday I would say that the turnout was great.

It seems as though the archery facilities that were and still are available, have paid off s Chrlie Brown and Helen Hayes took both first and second place at the Sports Day at Campbell College.

The golf team is still undefeated as they did give East Carolina the solid beating that they had planned. The Knights of the Green beat E.C. 16½ to 10½.

Now with the lights on the courts, we should be able to enjoy the evening in something a little more vigorous than a walk across the campus. But what goes here? Just why does tennis get first place over basketball? After all, you can accommodate up to 40 people in basketball whereas only 8 at the most in tennis. How about a compromise?

SAPC Takes Top Spot In College Sports Day

Last Saturday approximately 50 St. Andrews students traveled to Buies Creek to take part in an annual Sports Day at Campbell College. They left with the intent to win and did just that. SAPC took first place over Carolina Methodist, Carolina Wesleyan, and Campbell in most points scored, scoring 23 points. Taking 2nd place with 20 points was Campbell with Methodist and Wesleyan scoring 18 and 14 respectively. Points were given on a basis of 5 for first place in an event, 3 for second and one for third with none for a last.

In Archery, which was limited to girls, Charlie Brown and Helen Hayes took first and second for a total of 8 points. Shaw Caddell and Connie Little took the second place in Table Tennis as Reid Shoemaker and Ilene Douglas were eliminated after winning their first match. In Tennis Gay Dameron and Freddy Thomas took 3rd.

Boys Softball Team Makes Clean Sweep

The softball team beat Campbell 9-2 and the Methodist school from Fayetteville 6-2. Dicky Knowles hurled both games and showed fine form in allowing very few hits. The infield, which featured Steve Pitt at First, Bill Campbell at second, Joe Buckner at third, and Larry Varner at shortstop; made some fine plays in pulling Dickey out of a hole. Larry Fowler showed a strong arm in throwing out several runners who tried to steal. Benny Brockwell, Johnny Ogle, Ed McRae, and Jim Womeldorf latched onto the few long balls hit that Mr. Knowles allowed. Freddy Thomas and Dave Caraker were used in reserve.

Mack Cole and Ralph Kinney tied for first in Horseshoes. Bill Fleming and Don Holliday also took part in throwing contest.

Participating in girls softball and taking third place were: Joy Greene, Audrey Hartsell, Betsy Gates, Judy Beacham, Alice Rhines, Linda Byars, Mary Ellen Elmore, Brenda Ramsy, Diane Ledwell, and Barbara Love.

Tennis Team Travels Rough Road; Coach Retains Hope

St. Andrews' youthful tennis team is having a tough road this year because it lacks experience. Coach Rufus Hackney's net men have dropped four matches while winning one this spring; the most recent loss was to the College of Charleston last Thursday.

The Knights opened the season in Lynchburg, Va., against Lynchburg College. They lost the opener, 7-2. Hackney thinks they could have won the match, had the match been here and not the first of the year.

Smashes ACC

The net men lost to Campbell, 6-3, in the following match. In their 3rd outing of the spring the Knights smashed ACC 9-0. The next match took a turn in the other direction, and the netters received a 7-0 drubbing by Pfeiffer. Although the team has been showing steady improvement, last Thursday the College of Charleston defeated the Knights 8-1.

Co-captains Bill Campbell and Larry Varner, along with Freddy Thomas, the three returning lettermen, carry most of the experience. They are supported by Freshmen John Rinner, Bill Hough, Rick Le Grand and Soph. Skip Lahsor.

Despite the poor record Coach Hackney feels that his boys are improving rapidly, and he looks forward to next year. "We're in the building process now, but I feel like we'll win a few more matches," said Mr. Hackney.

Jones took another third place as they teamed up in Badminton. Eddie Eyler and Martha Lineberry also took part in this sport.

Another third was taken in Volleyball. Those participating were: Martha Lineberry, Don Owens, Lib Baxley, Link Wiley, Fleming Jones, Diane Owens and Walter Barefoot.

Coach Boyd termed the trip as a success. By the way the trophy is on display in the P.E. building.

Sports Field Constructed

Men and machinery are now at work on the St. Andrews campus, constructing a new all-weather quarter-mile track, a baseball field, and other sports facilities.

Rufus Hackney, athletic director, predicts use of the new track by mid-May and completion of all work by early summer.

Made of fibrous resilient asphalt composition, the track will be extended on one side for a 220-yard straightaway with six lanes. The center of the track oval will be large enough for a soccer or football field. Jump pits and other facilities for track events will also be of all-weather construction.

Coach Hackney said the track will be used for physical education classes, cross-country practice, and for introducing track as a varsity sport. It will be ready for possible use in the new Dixie Intercollegiate Athletic Conference and for high school meets.

Areas near the new track are being converted into a baseball diamond, and for softball, hockey and football fields, plus several golf practice greens.

Blue Wins Play-off Game
