## Baseball Season Record Good

The Knights won 5 of the last 7 games this season. While winning over Carolina Wesleyan, 2 games (11-2 and 13-4); Fredrick (10-4); ACC (6-2); and Belmont Abby (14-7) the Knights dropped games to Campbell and Pembroke. A major reason behind the Knight's improvement is the fact that everyone started hitting the ball and played "heads up" ball.

### Anderson Hits Home Run

In the last game of the season the Knights hit for 17 hits and 13 runs beating Carolina Wesleyan. **George Britt** took credit for the win scattering 6 hits while allowing 4 runs. **Ward Anderson** hit his third home run of the season in the 7th inning after **Charlie Hughes** had singled. Other leading hitters in the game were **Connie Little** who had 2 singles and a double with 2 RBIs for 4 times at bat, **Doug Maxwell** had 3 singles for 5 at bats with 3 RBIs, **Pete Stephens** had a single, double and triple for 6 at bats with 2 RBIs. **Norman Foxworth** and **Gene Barbour** also had 2 hits apiece.

### Ends Season with 8-13 Record

The Knights of the Diamond came to life toward the end of the season and brought home a good record in comparison with the first part of the season. As a team the Knights outthit its opponents by 27 points. The team batting average is .267 while the opponents only hit for .240.

### Maxwell Leading Pitcher

Doug Maxwell led the pitching corps with a 3-5 record fanning 52 in the process. **George Britt** posted a 3-7 record sending 56 down swinging. **Pete Stephens** won 2 and lost 1 in some brilliant relief work. **Jack Cole** failed to mark but did some fine relief pitching.

Three seniors led the hitting for St. Andrews with **Norman Foxworth** batting .349 to lead the way. The top ten hitters are:

- Norman Foxworth .349, Doug Maxwell .340, Gene Barbour .321, Connie Little .283, Ward Anderson .282, Pete Stephens .268, Charlie Hughes .250, Bobmyre .236, Von Settlemeyre .235.

**Jack Cole** (.200), **Jim Knupp** (.171), **George Britt** (.507) and **Ed Hurt** (.500) gave good support from the bench. **Ed Carter**, **Dick Sansbury** and **Bill Stainback** failed to get a hit although they did get good wood on the ball and will be used more next year. Rookie freshman **Paul Rose** batted 1.000 with one for one with 2 RBIs.

## School Song Accepted; President Moore, SLC Agree On Contest Entry

A school song has been accepted by the Student Life Committee and approved by Dr. Ansley Moore. The song was submitted in response to the contest held by the SGA.

The words were composed by **Robert MacDonald** (visiting artist-in-residence at SA conservatory) and his brother, **Donald F. MacDonald**, who lives in Glasgow, Scotland. The melody is a traditional Scots Gaelic air, "Maighenan na h'Airidh." Mr. Robert MacDonald arranged the words and music.

The words are:

Hail St. Andrews  
Hail to thee our Alma Mater!  
Bold thy banner waving o'er us!  
Let each loyal son and daughter  
Proudly stand and raise the chorus:  
From old Scotia's lofty lands  
To Carolina's gentle plain;  
Now thy noble name St. Andrews  
Ever glorious shall remain!

Hail, all hail to thee St. Andrews  
May thy courage be unbending.  
Guided by His mighty hand whose  
Loving mercy knows no ending.  
With thy saltire raised before us  
Cross of white and field of blue  
We proclaim thy faith victorious  
And thy vision ever true!

### Student Cabinet Appropriates Funds

At the May 9 meeting of the Student Cabinet three appropriations from the excess of the SGA budget were made to student organizations. The school radio station (WSAP), the amateur ham station, and a school literary magazine were named to receive funds for operation and equipment.

A total of three hundred dollars was designated for use by the Radio Club, to be divided into the amounts of two hundred dollars for WSAP, and one hundred dollars for the Amateur Radio Service division. The proposed literary magazine to be published next year was allotted four hundred and fifty dollars.

Service to the overall campus welfare and benefit were considered in making the appropriations. In the case of the Radio Club, operation of WSAP for the past two years was made possible only through the use of borrowed equipment.

The literary magazine will provide an outlet for creative writings by students which cannot be handled by the student newspaper or the yearbook. It will, as with the newspaper and the yearbook, give publicity to St. Andrews.

### Development Office Seeks Photographers, Writers For Next Year

Want-to-be writers and photographers should apply to **Jack Abernathy** in the Development Office now for scholarship work for next year. Also, non scholarship positions are available on the newspaper and annual staffs.

"This is a chance to learn some skills which may be commercially, socially, or civically useful to you in years to come," says the director of news and publications.

"Anyone who is willing to learn and to work will be given a chance. Dependability is the primary quality we are looking for. Of course it helps if you know how to spell and to put words together into sentences."

"Being able to express yourself in words (or in photographs) will not only be helpful to you in the future, but will help St. Andrews now — when it counts."

"Come by the office any time," **Abernathy** concludes, and keep coming until you catch me in and I have an opportunity to talk to you."
