

The Lance

VOL. III. NO. 1

ST. ANDREWS PRESBYTERIAN COLLEGE, LAURINBURG, N. C.

SEPTEMBER 13, 1963

This is the architect's sketch of the DeTamble library, which is now under construction on the south side of the lake. Completion is expected by May, 1964.

Construction Underway On DeTamble Library

Construction for the new DeTamble Library on the south side on the lake has been going on all summer. The approximate completion date has been set by C. F. Street and Company of Charlotte, N. C., general contractor, for May 20, 1964. If construction proceeds as planned, there will be a dedication service before students leave for summer vacation or graduate.

The library was named for Mrs. F. J. DeTamble, from whose estate came the \$200,000 challenge gift of the First Presbyterian Church of Winston-Salem, N. C. The total cost of construction and furnishings will be \$440,000. The other \$220,000 came from extensive gifts from the Z. Smith Reynolds Foundation, the Mary Reynolds Babcock Foundation, the L. Richardson Trust Fund, the Holderness Foundation, and many individuals.

The DeTamble Library in its beautiful site overlooking the lake and the north side of the campus will hold a capacity of 65,000 volumes—three times as many as the present library—and will include conference and study rooms and offices.

Student Center Gets Face-Lifting

Janet Wooten, this year's Student Center Board President, is taking care of the student center as if it were her own home. Showing off the new additions of the Student Center to the incoming and returning students, Janet is proudest of our new trophy case. The case, which will hold intercollegiate and intermural trophies will also be the permanent place for St. Andrew's Knight. The case was given to the Student Center by the Intermural Council and the Physical Education Department.

An aesthetic touch has been added with three new prints that were purchased for the Student Center. The prints were part of a travelling show that was at St. Andrews last fall, and the prints now in the building were chosen by a student committee. In the once "world of automation" students may now eat in what seems to be a real snack bar. Six booths have been placed in the snack bar and more are on the way. There is also to be larger variety of food offer-

ed at the snack bar grill.

Janet not only pointed out the new additions to the building and its furnishings but also that cards and games can be obtained from the hostess. When the books get cleared out of the large T.V. lounge the room will be used for club meetings and small groups will be able to sign up for private parties. An upcoming student art show is being planned in cooperation with the Inter-Dorm Council for the middle of October.

Would you like to decorate or make posters for a dance? If in doubt of what you would like to do, why not attend the Student Center Board Open House on Friday the thirteenth at 8:00 p.m.?

VOLLEYBALL

The Cabinet will play the Faculty Sept. 19 at 6:45 p.m.

Robert Davenport, Cabinet advisor, will play on the Cabinet team.

Proclamation

We, the members of the Orientation Committee and the Student Cabinet, do hereby proclaim that during the period between the twenty-first day of September, nineteen-hundred and sixty-three, through the fifth day of October, nineteen-hundred and sixty-three, the Class of nineteen-hundred and sixty-seven will undergo "A Fortnight of Serfdom."

The purposes of this period are:

1. To unify the Class of '67.

2. To aid in orienting freshmen.
3. To promote better inter-class relations
4. To build school traditions.
5. To inspire school spirit.

Furthermore, on the fifth day of October, nineteen-hundred and sixty-three, a Serf Inquisition will be held, and those serfs who have acquired an excessive number of "Points of Correction" will be tried. At this time remedial measures will be meted out. After the inquisition freshmen will be allowed to remove their beanies and name tags for the first time. That same evening a dance will be held for the serfs at which time they will officially become "Lords" and

"Ladies" of St. Andrews Presbyterian College.

Regulations have been issued to each Freshman.

Persons are needed to work in all areas for THE LANCE. Previous experience in newspaper work is desirable but not requisite. If you are interested please contact Charles Quick, 131 Orange Hall, ext. 53, or come by the student newspaper office, lower floor of the Student Center.

The position of Business Manager for THE LANCE is open. This position carries a scholarship.

Highland Players Start Productive Season

Position Of College Counselor Established

Section III-8 of the St. Andrews Handbook explains the workings of a new service provided by the College to all students — College Counseling. Grant Folmsbee, known by now to both freshmen and upperclassmen alike, will be in his office located off the main lounge of the Student Center Monday through Saturday from 11:00 a.m. until 1:00 p.m. He is also available each Monday, Wednesday, and Friday afternoon for conferences.

The College Counselor is responsible for scheduling all testing and receiving and evaluating all scores. He will have the results of Freshmen Placement Tests and will be happy to talk with you as individuals about your scores. Just remember that these tests will need to be scored and evaluated so don't start forming lines outside his door for a couple of weeks. Vocational tests are also arranged through this office for the entire college. These will generally be given to groups of students at the same time in order to avoid undue burdens on Mr. Folmsbee.

Students are urged to take advantage of this service. All scores will be treated as confidential matters between Mr. Folmsbee and the student.

The Highland Players will have a meeting of introduction for the new and old students interested in the Highland Players, 8 p.m. Tuesday, September 17, in the L. A. Auditorium.

Tryouts for the Highland Players' first production "Once Upon a Mattress" is 7:30 p.m. Wednesday, September 18. "Once Upon a Mattress" directed by Professor McDonald is a musical comedy based on the fairy tale of the Princess and the Pea. "Once Upon a Mattress" was done on Broadway with Carol Burnett in the role of the princess.

A cast of over twenty is needed for this first production plus others to help out with the production. The cast will include parts for singers, non-singers, and dancers. The dates for the production are October 23—26. The cast will be backed up by a full orchestra directed by Mr. Frank West.

Those desiring information about the Highland Players or interested in joining can notify Professors McDonald or Johnson.

Other productions to be offered this year will include: Tennessee Williams's "Summer and Smoke", William Shakespeare's "Taming of the Shrew", an evening of Japanese drama, and other productions of one-act-plays. Season tickets for the year will be available soon.

Residents of the new College House toast their academic future. From left to right: Tom Hale, John Holt, Bunk Spann (RA), Garnett Lee, Ned Browning, Evans Howle, Gerald Temple.

Students Assigned To "College House"

How would you like to have a suite with a fireplace, a wrap-around couch that seats ten people, an icebox plus a stove. These are just a few of the luxuries enjoyed by the ten men students living in the College House. This "suite", situated on the academic side of the campus was formerly used by home economics students for home management practice. This year

due to the heavy applications it has been turned into living quarters. Bunk Spann, the student leader in charge of the house reports that the only thing his residents — composed of five freshmen and five upperclassmen—have found to complain about was the inadequate capacity of the hot water heater. Every-
