

## Gold Surprises Gray Team 31-6

In what was a complete surprise to everyone, the Gold romped over the Gray by a score of 31-6. The game destroyed the Gray's hopes of holding onto a share of the intramural lead. John Ogle scored the first touchdown for the Gold with a long pass and run. The Gray came back and scored with a pass to Jim Moore that tied the game up 6 to 6. From then on the Gold took complete command of the game.

Duck Carr threw a touchdown pass to Ben Orman for the Gold. Then Coonie Little intercepted a Gray pass and threw to Ogle for another Gold touchdown. The Gray, seemingly shaken, had another pass intercepted by Ed Hurt, who scored with it. The extra point was good as Rick Young caught a pass from the quarterback. The halftime score was 25-6.

The only score in the second half was made by the Gold, Ben Orman scored the final points for the Gold to make the score 31-6.

## Blue Avenges Loss Takes Intramural Lead

By ALLAN HANCOCK

The tight race for the intramural football championship was "shaken up" Monday as the victorious Blue team took sole possession of first place. The Blue's victory combined with Gold's defeat of the Gray team brought a complete change in the standings.

For the first time in three years, the Blue team beat the Green in football. The Blue avenged their earlier loss to the Green which marred their perfect record.

The Blue took the kick off and scored an early touchdown. The key play was a pass from Bill Campbell to Charlie Hughes which set up the touchdown.

The Blue capitalized on the Green's mistakes and scored a gain with a pass from Campbell to Dickie Knowles which was set up by Campbell's interception. The Green was unable to move the ball and had to kick. The Blue pulled an old fashion "razzle-dazzle" play and scored.

The only score that the Green made in the first half was a safety. Half time score was 25-2. In the second half the game

for a position on the team were Toulia Yeapanis, Mark Steff, Duncan Mills and Courtney Shives.

Ten positions are available on the team. Students interested in bowling should contact either Mr. Stevens or Dan Robinson.

was closely matched with both teams scoring once. The Green scored on a pass from Wayne Pigg to Ed Grier. John Tribble caught a touchdown pass for the Blue giving the final score of 31-9.

Playing head-up defense for the Blue was Bob Parkman with two key interceptions. The outstanding defense star for the Green was Xan Law, who as a fan commented was "all over the field."

## QUINTET

Continued from front

During the 1963-64 season the Dorians will tour for three months in Africa under the auspices of the Department of State's Cultural Presentation Program. They will be the first musical group, other than jazz, to be sent to Africa from America. This tour will last from October 24 through January 9.

After a brief vacation, the Dorians will tour in Germany, Austria, France, Ireland and England before returning to the United States at the end of February.

## Bowlers Practice

The St. Andrews College bowling team held their first practice Tuesday afternoon at Varsity Lanes. Charles Stevens the team coach bowled the high three game series with a 521. Dan Robinson was close behind with a 520. Other students competing

Goalie Harlan Forbes gets set in a vain attempt to block Scott Ritencour's kick as David Callaway, Bruce Robertson and Jeff Walker look on. Soccer practice has been under way for several weeks under the direction of Prof Choung-Il Chee.

## Clash In Tin Can

BY NICK GORDON

Every afternoon St. Andrews gym vibrates with the clash of swords. For the second year we have a fencing team to carry the name of St. Andrews.

This year we have something new and different in the form of a girl's fencing team. There are eleven girls out and working very hard. Thus far we have seven boys participating. This includes the two coaches, Nick Gordon and John Waldon, who are returning from last year's team. The rest of the members are first year fencers, but will soon be giving the coaches a go for their places. Dr. Leslie Billock is sponsoring the team.

Members will be instructed in foil, saber, and epee. Students from last year will remember these weapons from the match

held in the student center. St. Andrews can be proud of the enthusiasm shown by this year's team of freshman, who are spirited and competitive."
