

Runners Top Charleston Upset 27-28 By ACC

The Hurricane warnings may have been lifted but the College of Charleston's cross-country team wasn't too certain they should have been after the St. Andrews team had come and gone. In a two way meet held last Friday in Charleston the Knight harriers soundly defeated the College of Charleston cross-country team 20-35. The St. Andrews team captured first, second, fourth and fifth places, in gaining their second win of the year. Jim Smith again led the Knight team in capturing first place with a time of 24:26. George Britt competing in his first cross-country meet was just a step behind Britt at 24:27. J. Vann Reid and Bill Barry took fourth and fifth places to insure the Knight's victory. In a return match held on the Knight's home course a determined Atlantic Christian College contingent upset their hosts 27-28. Earlier this year the Knights had gained their first victory with an easy 22-31 triumph over the ACC team. Smith nearly saved the day for the St. Andrews team as he finished second in 23:42.5 just a step behind the first place ACC finisher who was clocked at 23:42. Fifth, sixth, seventh, and eighth places were taken by Reid, Tommy Beason, Barry, and Bob Armour respectively.

The next cross-country meet will be on the Knight's home course at 11:00, November 9 against the College of Charleston. On November 16, Coach Jim Ollis' squad will be host to the Dixie Intercollegiate Athletic Conference meet, and on November 19, The Knight harriers will take on Pembroke College. The meet with Pembroke had been scheduled for October 25 but was cancelled because of the hurricane threat. Coach Ollis' proteges will be

Smith, Barry Place At State

Two of St. Andrews' cross-country men competed in the N. C. State Invitational Meet at Raleigh on November 4th. Jim Smith and Bill Barry went to the State's track to compete with the top runners from various North Carolina colleges which included State, Duke, Wake Forest, and Davidson.

Nine teams were invited to the meet on N. C. State's two mile course. Jim Smith finished 31st and Bill Barry 48th. The track that the men run here at St. Andrews is two miles longer than the one at Raleigh.

Blue To Defend Basketball Title

Indian summer finally died on the St. Andrews campus last week as an Autumnal nip pervaded the air, and with its death came the somewhat pleasant and somewhat sad reminder that fall sports are drawing to a close and that Basketball season is just around the corner.

The intramural basketball program gets into full swing this week with a full schedule of games. Gray and Gold open the season with their 4 o'clock encounter Tuesday afternoon. Their game is followed at 5 by a clash between the Blue and Green teams. The Blue Team will be out to retain the title which they won last year.

out to avenge an earlier 21-37 loss to Pembroke.

UNC Tilt To Highlight HC

Highlighting the Homecoming, Fall Fling, Parents Day weekend of November 15-17 will be a touch football game between the University of North Carolina intramural champions and the champion St. Andrews Blue team plus All-Stars from the Green, Gold, Gray and Red Teams. At 3:00 on the first afternoon of the big weekend.

Selected for their outstanding play during the regular season to lend strength to the Blues were Connie Little, Lee and Vaughn Settlemyer, Howard (Duck) Carr, and Zan Law.

The Blue-All Star team opponent is still unknown since the UNC intramural schedule has not been completed. The game will give St. Andrews students who complain of the lack of a School team something to cheer about. Members of the cheerleading squad will be on hand to lead the students in cheers.

Pep Club Drive Now Underway

Beginning this week and continuing through next Wednesday, members of the Lettermen's Club and the cheerleading squad will be selling Pep Club memberships at the top of the stairs in the Student Center each day at lunch and again each night at supper. The cost of membership is one dollar (\$1.00) per student or faculty member.

The coaches, varsity athletes, and cheerleaders are giving their time to this worthwhile project and ask that students demonstrate their support of St. Andrews' intercollegiate athletic program by purchasing Pep Club memberships. Membership in the Pep Club entitles the member to: 1. Reserve seats at basketball games; 2. Badges of membership; 3. First choice of seats on out of town trips; 4. Special functions for Pep Club members; 5. The opportunity to help support financially many needed items; and 6. The feeling of "pride" in St. Andrews. This is a tremendous bargain for only a dollar.

The Pep Club was chartered last year with the following aims: 1. To foster goodwill and sportsmanship; 2. To encourage the support of St. Andrews athletic teams; and 3. To conduct projects related to sports.

In their first year of active support the Pep Club purchased the Knight's outfit now on display in the Student Center and which is worn to Knight athletic events.

THE LANCE

The Cheerleaders took time out from their busy practice session to pose for the above picture. From left to right front row: Monica Doer; Brenda Brooks; Clara Harper; Sue Watts, head cheerleader; Andrea

Barton Bonnie Johnson; and Sue Opdike. Second row: John Campbell; Sue Sorry; Reid Shoemaker; Alice Raglin; Courtney Shives; Rita Almond; and Lee Settlemyer.

Watts Head Cheerleader Announces Plans For Rally

"We have many new and exciting things planned for this year and we want the support of the entire student body to make this the greatest year ever," stated Sue Watts, St. Andrews head cheerleader after a hard practice session with the rest of the squad Wednesday night. Sue was elected to the position of head in an election held by the cheerleaders last week.

Among the events planned by the cheerleaders is a giant pep rally on December 3. Students will assemble for the event in front of the Student Center at 6:15. The cheerleaders will arrive on a fire truck and after leading the students in a number of cheers, they will ignite a large Bonfire on the obstacle course. A special feature of the pep rally will be the official installation

of the 1963-64 cheerleaders by a pledge which members of the squad adopted this week.

In addition to working hard learning the many cheers they will be using this year, the cheerleaders have drawn up and approved a constitution establishing rules and regulations to govern their squad and requirements to be a cheerleader.
