## Business Students Plan N.Y. Seminar

Professor Gentry Wade, business chairman of St. Andrews business department, has announced plans for a field seminar in marketing to be held in New York City during the spring holidays. The purpose of this unusual trip is to provide St. Andrews students, a chance to meet personally the executives of a number of large financial and marketing institutions, and to discuss marketing problems with them.

Included on the agenda are visits to the Chase Manhattan Bank, the New York Federal Reserve Bank, and the New York Stock Exchange, as well as several large department stores and a national radio and television network.

Arrangements have been made for the group to leave on Thurs-

day, March 26th, and return on Thursday, April 2nd. The group will travel in a special railroad car, and the cost will be \$69.00 for transportation and lodging. It is estimated that another \$60.00 to \$80.00 will cover food and entertainment expenses.

There will be no scheduled activities during the evening, and two afternoons will be free. It is expected that many students will want to plan joint activities with members of the arts tour, also from St. Andrews, during their spare time.

On Easter morning, students will have the opportunity to worship in one of the great New York cathedrals and to join the Easter parade.

A maximum number of forty students may take advantage of this opportunity, and February 5 will be the deadline for applications. All interested students should contact Mr. Wade.
