

First Male Trombone Recital

The monotony of a long line of keyboard and voice recitals will be broken this Tuesday evening, when presented by the St. Andrews School of Music, Gerald Temple will give his Senior recital. Mr. Temple is the first male trombonist majoring in music education to present a recital at this college.

Gerald plays first trombone with the St. Andrews Orchestra, the Florence Symphony Orchestra, the Wind Ensemble, and the Brass Choir. He has been a member of several dance bands, his most recent engagement being with the Rhythm Kings. He did his student teaching with the Laurinburg High School Band and plans to be a band director upon graduation.

A varied program will be presented including works by Arcangelo Corelli, Camille Saint-Saens, Eugene Bozza, Henry Cowell, and a Sonata for Trombone and Piano by Paul Hindemith. Piano accompaniment throughout will be provided by Bonnie Williams. In a recent recital, Bonnie proved her ability to handle the difficult job of accompanying the trombone.

St. Andrews Selects Who's Who

Last night, May 13, at the Awards Night ceremony the students chosen from St. Andrews to appear in WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES were announced.

Those students honored were Maggie Abrams, Paul Grubbs, Claude Andrews, Bob Zeh, Jack Cole, Carol Brown, Mike Long, Preston Stone, Trudy Dawkins, Janet Wooten, Ann Ehrhart, Mary Elizabeth Ricks, Beverly McClure, Betsy Gates, Bill Campbell, and Ann Stradley.

Selection of these students began in October, when each student, faculty, and staff member was asked to list and rate a number of students up to eighteen whom he believed most worthy to appear in the Who's Who for 1964-1965. Those students eligible were those in good standing who had at least eighty-one semester hours and who expected to graduate by August 1965. Each student nominated was to be rated on a 0-4 point basis (four for excellence) for participation, leadership, academic and extracurricular activities, standing as a responsible citizen in a campus community, and potential as a leader in society.

The results from the initial nominations were sent to the Who's Who Committee for 1964-1965 which had been appointed by the Student Life Committee. The Who's Who Committee consists of Prof. Spencer Ludlow, Dr. Robert Gustafson, both representing the faculty, Miss Evelyn Morris, representing the Office of Student Affairs, Miss Carolyn Combs and Mr. Bob Zeh, representing the Student Life Committee, and Miss Barbara Galt representing the 1963-1964 committee. Upon evaluating the listings and ratings of the students, faculty, and staff, the Who's Who committee presented a list of sixteen students to both the Student Life Committee and Dean Hester and Dean Davidson for final approval.

EUROPEAN TRAILER VACATION POSSIBLE

A unique new low cost method of touring Europe for two months or more is now available to College students and faculty members. Four people can enjoy this trip at a maximum of \$600 each.

This whole plan is packaged by two well known men in well established business organizations who head the Companies supplying the basic components of this pleasant and economical vacation.

You travel by car and in two months can easily visit every country in Europe if you desire it - or you can limit your range of travel and enjoy a more thorough visit within a few countries.

The popularity of this method of travel among Europeans of every walk of life would seem to make it an ideal way to meet people. This, of course, is a big plus for every thoughtful traveler.

For years Americans have been going to Europe, buying cars and saving money by bringing them

home with them. European Trailer Vacations have added a new dimension to that plan by adding to the purchase the well known Apache "Raven" Trailer and a complete camping kit for four. This includes sleeping bags, stove, ice box, table, chairs, pots, pans, cutlery, gas lanterns - everything needed to be comfortable on your trip through Europe.

The Apache "Raven" Camping Trailer is exceptionally popular. Over 50,000 are in use in the United States and their performance on the road and their convenience at the camp site are attested to by their increasing popularity over the last 8 years.

It takes only five minutes to set up for the nightly stay-over, and you have every convenience.

The two large double beds are three feet above ground, 3" foam mattresses give perfect slumber. Large panoramic windows, fiberglass screening and many more features make happy camping.

Touring trips start and finish at Brussels, hub of Europe.

Everything is ready and waiting for you. Complete insurance covering car and trailer is provided. Then you are off to travel at your own speed to the places you choose, staying as long as you like and then moving on. No expensive hotel and restaurant bills to pay - unless you choose to step out.

As to the car - you choose either an Opel Kadett (a General Motors product) or a Volkswagen 1200, both offering ample room for four people with their gear and both are hundreds of dollars cheaper than you can buy them in the United States.

Europeans are accustomed to this style of travel. There are over 15,000 camping grounds in Western Europe and Scandinavian countries listed in our free guide.

CAMPUS COMMON GROUND

ANN ARBOR, Mich. (AP) - There's a wide age range in the student body at the University of Michigan, from the 44 youngest who are 16 to the oldest student, who is 71.
