

Varsity Bowlers Resume Third Place As Season Reaches Midway Point

The Knights of St. Andrews have thus far maintained an even record on the alleys in competition play winning six of 12 match games and two of 4 match set points.

The Knights team average, 833, is not indicative of their true potential, for four of 5 starting bowlers are presently carrying over the 170 mark in average. A strong fifth bowler would do the squad wonders in the record column.

After four weeks of competition, the College of Charleston and Lynchburg College are tied for the lead with 13 wins versus 3 defeats. The Knights are a game ahead of U.N.C. at Charlotte for third. Two weeks ago the Knights downed Methodist College in 3 of four team points, dropping the second game by 29 pins,

832 to 803. Total points was an edged victory for our boys, 2447 to 2432. John Havacivet of Methodist rolled a 221 high game for the series and Ed Butterworth of the Knights had high set with 529.

Last week the Knights dropped three points to Lynchburg College, defeating their opponents in only the second line, 841 to 789. Butterworth's 231 game and 593 set were not enough to carry the team to victory.

This week the Knights rolled their high set of the season, 2629 in hopes of victory over first place Charleston. Butterworth bowled games of 215, 223 and 190 for a league high set of 628 and was backed by teammate John Burchill with lines of 202, 147, 200 for a composite 549 series. Because of the present D.I.A.C. setup, the results of the match will not be learned until the first of the week. This may well be an additional

handicap to the team, not knowing their opponents scores at strategic points in the match.

At present Butterworth of the Knights is carrying a 184.93 average followed by John Burchill with a 174 and Randy Wolfe with a 172. Frank Ligon has been bowling near the 170 mark.

SPEAKING OUT

This system should have been considered by the Senate to begin with. It is evident that not enough thought went into the formulation of at least Article V of the Amendments. Perhaps this will make the Senators more thorough in their work, exhausting all possibilities before making a final decision.

Remember to vote against Article V!! And talk with your Senators concerning this matter.

Larry Taylor goes up for two, but is fouled from behind after the shot.

Knights Having Losing Season; Lone Victory Over Charleston

With half of the basketball season completed, the Knights have compiled a disappointing 1-11 record. The lone victory came against the College of Charleston.

The shooting percentage for the last six games has been a dismal 32.9% while the free throw percentage has risen from 58% to 70%.

Roger Dixon, center, leads the team in rebounds with an average of 13.9 per game.

Brian Ferguson is number one in the scoring list with 143 points for a twelve game average of 11.9.

Larry Taylor is close behind with an average of 11.3 points per game.

When the team triumphed over Baptist College, they only lost

half as many balls, on bad throws as in previous games. This deficiency has plagued them all year and the victory was an indication of their potential.

Last Tuesday against Mars Hill, the boys played relatively good ball, but again lost balls may have well lost the game. When Dixon fouled out with 12 minutes remaining, the team's board strength was gone. Jim Saleeby and Larry Taylor picked off some of the rebounds but not enough to quell the Lions scoring threat.

The final blow to the Knight's offense occurred when Ferguson fouled out with 6 minutes remaining. With our leading scorer and rebounder out, Mars Hill had little trouble in stopping any drive by the Knights.

Today at the Armory, St. Andrews meets Lynchburg College. Wayne Proffit is Lynchburg's outstanding player and one of the leading scorers in the D.I.A.C.

The team, with 11 games remaining, hopes to vastly improve their record. There are 5 more home games and the boys would like to see more fans than ever in the stands cheering them on.

ATHLETE'S FEAT

By ED BUTTERWORTH

How does this grab you! The Knight grapplers finally came through with a victory, and they did it in fine style, downing Wilmington College 17 to 12.

Previously the Knights had gone down in defeat 21 to 12 to U. N. C., 20 to 11 to Pembroke, and 24 to 8 to East Carolina.

The Knights against Wilmington did poorly in the lower eight classes, but came back with a strong finish in the upper weights to pull a victory out of defeat.

Knarf Grier in the unlimited class took on Wilmington's Tom Simmons (out weighing him 230-190) with the match deadlocked at 12 all. A take down in the first period gave Grier a 2-0 lead. Suffering with a knee injury, Grier pursued his oppo-

nent in the second period, running the score to 5-0 before pinning him to secure the Knights the victory 17 to 12.

In all, it was a slow moving match, Grier captivating Simmons for the only pin. Perhaps the most exciting dual was in the 152 and above class in which Tom Teal came from behind, 5-3, to defeat his challenger, Dickie Hudson, by a 10 to 6 decision.

The match was the turning point in the wrestler's season. When the Knights knew they had to do it, they did, Frank Powell and Grier victoriously tying and winning the match for their team.

The wrestlers feel that since their toughest opponents are out of the way, the remainder of the season should be a winning one, Pfeiffer and N. C. State the only exceptions.
