Nine errors by SA, seventeen hits and twenty-one runs by Wilmington put the Knights back into the losing column again after a victorious weekend.

Clubs To Submit Tentative Budget

The Student Association must submit a tentative budget to the Senate before the end of this school year. Because of this procedure, it is necessary that all organizations submit their tentative budgets to the treasurer of the Student Association as soon as possible.

Deadline for submitting budgets is Thursday, April 13. These are TENTATIVE budgets and are subject to change, but they should give some adequate indication of how much money (if any) is needed to operate next year.
