Basehall coach Gerald Griffin told me today that St．Andrews h been picked to participate in the playofis of the NALA regionals．I other competing schools are：Wilmington，Pembroke，and Belmo Abbey．Next weekend these teams will face off in as eliminy ton tourney．The wimer $\quad$ ill be pitted against the Carolina Conteren champ．The rictor of this excounter will travel to St．Joseph，Mis souri to compete in the NALI flnals．Since SA has beaten both $W$ mingtoc and Pembroke，I will have to say that the Knighis chances al better than average．

If St were to do vell in this baseball tournament，it would serve enhance the stature of this college among colleges around the countr Earlier this year，the soccer team did well in competition and was if cognized as one of the outstanding teams in the country among smai colleges．With this sort of recognition，I tafl to see why nembers the collese community here at St Andrews believe that any type of at letic program is mnecessary，and in fact harmful．No individual can operate long in an academic community without an outlet for energies．Scboal government，dating and jobs are all outlets but athe ties camot be excludec．After all，isnst it part of haman mature to com pete？3nd athletics has a very competitive rature．If it is argued the an athletic prospram is too expensive then whynot eliminate other st dent activibies which squander so much money each year．In the pas St．Andrevs has profited by its athletics in a way that no dollar slat can measure．With the new gymnastum soan to be completed，then will be，no doubsy more honars beaped on Sd athletes and coache
