

### Linksters Host Pembroke Today

The St. Andrews golf team begins the 1970 season hopeful of improving last year's 10-9 record. This year the team will be operating under the coaching of Rufus Hackney and Bill Morgan.

The Knights will miss last year's number one golfer Joe Boyd, Boyd who transferred to Tusculum College won both conference district championships last year. However, Bill Mustard and Craig Hannas both of whom did not play last year should help make up the slack.

This year's team at this point sports Mac Jones --#1, Mustard --#2, Hannas --#3, Chris Johnson --#4 Jim Harward --#5, and Toby Vosburgh --#6. Others on the team are Rob Mabon, John Givens, Jim Barrick, Banks Garrison, and Chris Hayes.

Thus far SA is 3-0 in the conference, but 3-3 overall after a disappointing 0-3 match last Thursday.

KEN "All" Mehrling takes a ripple.

### Knight Rally Downs FSU, 3-2

Straight from ringside here's the final -- SA 3 rounds Fayetteville State 2.

Catcher Ken Mehrling miraculously held the ball after a hard collision at home plate for the final out. Suddenly the Bronco player out at home started throwing punches at Ken, Mehrling retaliated, and both benches emptied. A third-base Bronco coach was bashed in the face by his OWN man with a catcher's mask that was aimed at Mehrling. Scrappy catcher Wayne Polston came to Ken's assistance only to be promptly laid flat on his back by a sharp right to his eye.

Wayne Wise increased his team leading RBI total to seven with a sacrifice fly in the eighth that drove in the winning run.

Steve Litchford's clutch-relief pitching in the 9th inning saved the game for senior southpaw Mark Kleber. Up to that point, Kleber turned in a fine performance. Senior Gardy Wilson, avid baseball follower, said, "This is one of the best games I've seen the 'Big Man' pitch". He also said "that 'ferree' behind the plate was terrible." Gardy's really in the ball game!

This win runs S.A.'s record to 5-2 overall, 5-0 in District 29 (second only to Pembroke), and 2-0 in the DIAC. Saturday afternoon starting at 1:00, S.A. hosts archrival Lynchburg in a key conference and district doubleheader.

### Tennis Captures Fourth Straight

The S.A. tennis team grabbed its fourth straight victory yesterday by defeating Pembroke State University 7 to 2. The team now claims a 4 and 2 record with two conference wins. The winning streak started last week with a 5-3 win over conference opponent U.N.C.-G which was followed by an 8-1 victory over U.N.C.-W.

Last Saturday the netters claimed revenge over last year's Methodist loss by defeating the Monarchs 5 to 4. The number three doubles combination of John van den Heuvel and Randy Welford went three sets before capturing the S.A. victory.

The team goes on its first long trip of the season with Campbell on Friday, N.C. Wesleyan on Saturday and Virginia Wesleyan on Sunday. The Knights are looking for three "road" victories before meeting Lynchburg on April 9th.

### Florida Freaks Win Softball

The "Florida Freaks," a team consisting of 9 "Florida People", overwhelmed their opponents in three straight games Saturday to easily win the Bacchanalia softball crown. The boys from Florida shined on defense and held their opponents to only three runs in 23 innings. After easily beating the "Rednecks" in the opening game 7-1, they trounced Suite 1 Meck 9-2 and then in the championship game held the "Ice Nine", their toughest opponent, scoreless for nine innings and won 7-0 after an explosive 7th inning rally.

All of the members of the team played fantastic defense which was the key to their success. Team members included Riley Erwin, Jim Haddix, Tony Fernandez, Bob Stawski, Paul Finger, Bruce Taylor, Mike Fletcher, Steve McAlister and Marty McIntyre. When asked what they thought about the final game one of the Florida Freaks merely answered, "Where the hell's the beer?"

### Track Team Seeks Improvement

The SA track team has had trouble the last two meets and their record has fallen to a 1-4. This year the trouble isn't a lack of depth, but rather getting accustomed to track again after last year's layoff of no real track team as such. Last year's team was a poor excuse for a team and this year's team while fairly sizeable, is suffering from a lack of experience.

Injuries have also taken their toll this year, Jack Richmond

has been out of all competition so far, until yesterday, with a pulled leg muscle. Tony James had been hampered by old knee injuries making it difficult for him to jump at all in the field events. And Ron Hayden is constantly suffering from chronic asthma when he runs.

As a result of key people being hurt, a lack of experience and failure by some members to practice and work hard, the team has faltered in its performance.
