

UNC Defeats SA 4-1 In First Scrimmage

Yesterday, S. A.'s soccer team was defeated 4-2 in a scrimmage against UNC-Chapel Hill. It was very evident in the first quarter that this was S. A.'s first scrimmage of the year. The Knights fell victim to nervousness, but after the Knights had time to reorganize from their initial jitters, all went remarkably well. From the second to the sixth quarters, S. A. gradually picked up steam and at the end appeared to be controlling the majority of play. In an address to the team following the scrimmage, Coach Kinne told the players that they had progressed as much in the course of this scrimmage as they had all season.

One of the senior players suggested to me that I name some of this year's promising freshmen so that clippings of the Lance would be sent home. For those numerous people that attended the scrimmage, I need not say much about the fancy footwork of S.A.'s second "foreigner" Prem Thoonkapalin of Bangkok, Thailand. He will undoubtedly be an S. A. standout on the front line. At fullback Mackay Asbury has looked very impressive. Halfbacks Tom Dux and Fletcher King look promising as do forwards Bob Lashaw and Johnnie Catmur, who scored one of S. A.'s two goals. Goalie Jeff Beales also recorded some impressive saves in the scrimmage.

In Brief

Tonight through Saturday night, Farrago will present Mick E. Clark, reputed to be one of the best on the coffee-house circuit. The time is 8:00 p.m.; admission is 25¢ with cider and popcorn provided.

The cyclist club will be journeying to Wagram Saturday, Sept. 18. Those wishing to go are asked to meet at the Student Center at 9:00 a.m. Bring your lunch. For additional information, contact Jeannie MacDougall, ext. 253.

After the first quarter, (we'd like to foreget it existed) the overall passing of vets and rookies looked very good. Vets Cooper, Daniels, Freeman, Johnson, Vakos, Rhoderick and Dufek played excellent ball control in the last three quarters. John Daniel probably had by far the best shot for S. A., but unfortunately UNC's English goalie almost made it seem as if John had dribbled it. Coach Kinne added that he was impressed with everyone's play.

The soccer team would like to thank the flock of fans and cheerleaders who came to support us at this scrimmage and we hope that your spirit continues. S. A. begins playing for "keeps" Saturday, September 25 here against East Carolina. Consider us in your plans for the week-end.

Competition Underway For Fulbright Scholarships

In May, 1971, the competition for the 1972-73 academic year was officially opened by IIE. Now, only a few more weeks remain in which qualified graduate students may apply for one of these awards.

Southeast Art Contest Opened

The Gallery of Contemporary Art announced its 35th semi-annual Juried Competition for all artists (18 years and older) working in the ten state Southeastern region. This open competition will be for painting and sculpture, and each artist, is limited to entering three works in each of the two categories.

The Exhibition will be judged by Mr. Phillip Pearlstein, artist and teacher. Mr. Pearlstein is represented by the Allan Frumkin Gallery in New York City and teaches at Pratt Institute. Mr. Pearlstein is one of the leaders of the current-trend of "New Realism," having exhibited extensively in one-man and group invitational shows.

For information concerning entry of this Southeastern competition, please write: Mrs. Peter Wilson, Jr., Gallery of Contemporary Art, 500 South Main Street, Winston-Salem, North Carolina 27101. Deadline for entry forms and art work is Wednesday, September 29th, 1971.

In addition to Full Grants, which provide round-trip transportation to any one of 29 countries, as well as tuition and maintenance for one academic year, two other types of grants are available: U.S. Government Travel Grants to 12 countries; and maintenance and tuition awards to 14 countries offered by foreign governments, universities and private donors.

During the 1971-72 academic year approximately 540 American graduate students will be studying overseas on scholarships provided by the U. S. Government under the Fulbright-Hays Act and by foreign donors. Competition for these

awards was administered by the Institute of International Education.

General eligibility requirements are: U.S. citizenship at the time of application, a bachelor's degree or its equivalent by the beginning date of the grant, language ability commensurate with the demands of the proposed study project, and good health.

Application forms and further information for students currently enrolled in St. Andrews College may be obtained from the campus Fulbright Program Advisor, Dr. James E. Carver. The deadline for filing applications on this campus is October 20, 1971.
