

SA Splits With Lynchburg; 11th Inning Rally Wins Game

BY DAVE MILLS

Last Saturday, the S. A. baseball team played Lynchburg in a double-header here. The result was a glorious victory for the Knights who have had their troubles this season. The final score was 7-6 in a real thriller. Ordinarily, double headers last seven innings, but it took twelve to complete this one. At the end of seven innings, the Knights had just come from behind to catch up to a Lynchburg 3-0 lead. Riley Erwin, pitcher for the Knights, had had a bit of trouble in the first and fifth innings giving up three runs. But in every other inning he had been very strong.

However in the seventh inning the Knights came from behind to tie the ball game. It was not too unlike the previous Methodist game, which the Knights lost 12-11 in extra innings the game before. The Knights had come from behind in that one to tie the score 11-11 in the bottom of the seventh.

The question in all of our minds was, would this be another repeat? Riley Erwin pitched brilliantly for four more innings. Then in the bottom of the eleventh, he led off with a double to center field that hit half way up the fence at the four-hundred foot sign. Unluckily though, the Knights did not score that inning.

After having run out his double in the eleventh, Erwin tired in the twelfth. Lynchburg rallied for three runs to go ahead in the top of the twelfth. Ken Mehrling was called in from third base to retire the last Lynchburg batter.

Though the situation looked gloomy, the Knights did not give up. The first two batters, Lashaw and Mills drew walks. Then Jim Haddix tripped to drive in two runs. With Haddix on third base, and the outfield drawn in, Ken Mehrling tripped in the alley of left center to score Haddix. Then with one out, freshman Ray Andrews drove in Mehrling with a double to center. Relief pitcher, Ken Mehrling, was credited with the win.

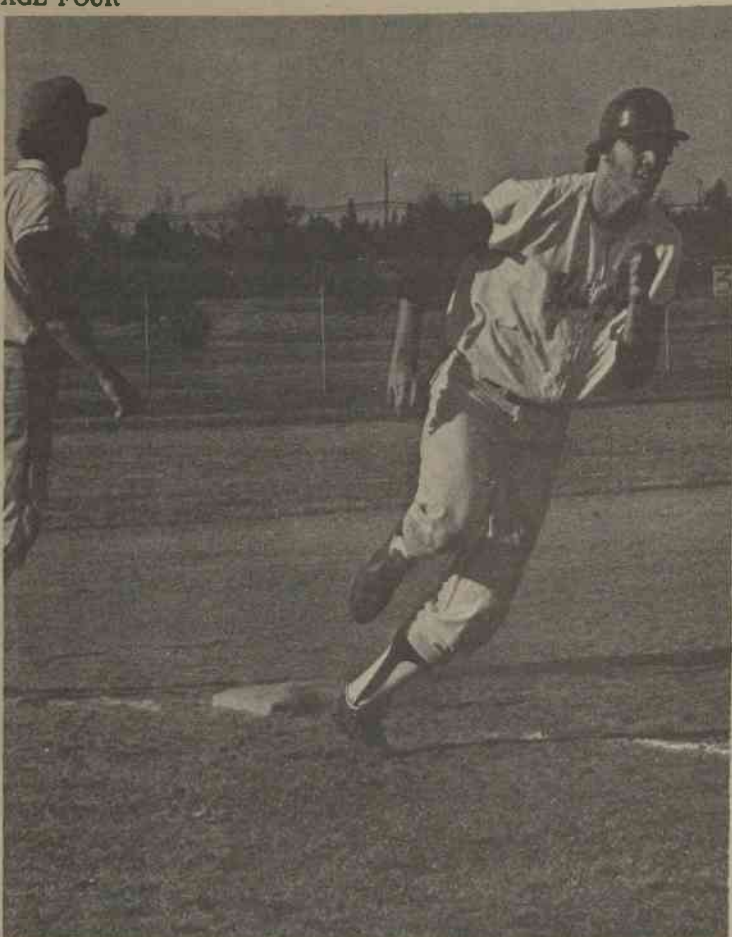

The second game saw the Knights play their usual game when "the staff" pitches. Although Erwin is on the pitching staff, "the staff" is considered to be everyone who gets on the mound besides Erwin.

But just recently, "the staff" has a new member to be proud of. From behind the plate came a freshman, Mike Garner, who

did an excellent job against Pembroke, their big sluggers, short fences and steady winds that blow straight out into the outfield.

This Thursday the Knights travel to Campbell, one of the

teams the Knights defeated earlier in the season. On Saturday, they play an alumni game and who knows what might happen or which old-timers might show up. Its for your entertainment this weekend.

Freshman shortstop David Andrews rounds third base in recent baseball action.

Student-Faculty Discussion

(Continued from Page 1)

dents, as did Mr. Posnick, outside of classroom situations. Mr. Schultz elaborated on his

Relating to the students what was on his mind, Mr. Davenport spoke of the P-A-C theory of self analysis and said the students and faculty members were involved in game playing. He said the game playing should be discouraged because of the detrimental effect it had on student-faculty relationships and attitudes. Jo Ann Foil, a student, commented on how she felt a large part of the problem, from the students standpoint, was the unwillingness of the administration to disseminate news through channels that now exists.

statement by saying he would personally like to see students begin trying to gain knowledge as to how the system worked, how it might be draining students of their motivations, and what could be done here at SA to attempt to alleviate this situation.

SA Track Victory

Ron Hayden, who may prove to be one of St. Andrews greatest athletes, won four events and anchored the winning 440 relay team on April 14th to lead S.A. to a 79-66 victory over Campbell College. John Laquardia was a double winner taking first places in the shot, a school record with a throw of 43' 8", and the discus.

The Campbell meet was one of dominated events. Nine out of 15 events, excluding the relays were won by eight or more points, including four complete sweeps.

Other S.A. winners were Bill Parker in the triple jump, Ed Aderson in the 220, Phil Chapman in the polevault, and Ed Anderson, Chuck Hale, and Jack Richmond, along with Ron Hayden in the 440 relay. Jack Richmond added depth to the team by also pulling out two second places in the 120 high and 440 intermediate hurdles, very closely behind Hayden.

Women's Sports To Have Varsity

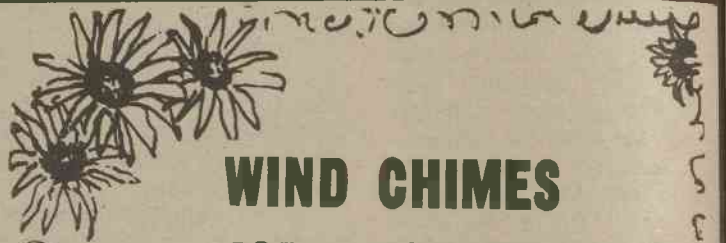

Plans are underway for the development of a varsity sports program for women students at St. Andrews for next year. A meeting was held Wednesday night for those women interested in playing inter-collegiate volleyball, basketball and/or tennis. Those women interested in playing basketball must remain on campus during Winter Term, since games will be played during this time. The game schedules are being worked out with other colleges, and the first official meeting for women interested in the teams will be held sometime next fall. For further information, contact Miss Williams, in the P.E. Department.
