

THE LANCE

A Weekly Journal of News and Events At St. Andrews Presbyterian College
1961 - Fifteenth Anniversary Year-1976

VOLUME 16

LAURINBURG, NORTH CAROLINA, THURSDAY, SEPTEMBER, 30, 1976

NUMBER 5

Dean Selection Committee To Be Chosen

Correction

THE LANCE wishes to apologize to Dorothy Fillmore and Rev. Frank Covington for attributing a quote to them in last week's edition which should have been attributed to an official news release.

The quote appeared in the article on "Seeds", a musical group which was in Laurinburg. THE LANCE is sorry for misrepresenting Dorothy, Rev. Covington, or the CCC.

Off Campus Registration Tuesday

Registration for off campus Winter Term courses will take place this coming Tuesday, says College Registrar Dr. James Stephens.

Actual registration will take place in the office of the Registrar on Tuesday from 9:00 a.m. to 12 noon, and from 1:00 p.m. to 5:00 p.m. All students intending to take on off campus course are required to consult informally with their faculty advisors before Tuesday and to pick up their registration packet in Tuesday. Upon receiving the packet they must pay at the cashier's Office whatever deposit is required for the course, and return to the Registrar's Office with verification of payment in order for the registration process to be completed. Decisions as to whether or not a proposed Winter Term course is actually scheduled will depend upon the number of persons who enroll.

Registration for on-campus courses will not be held until October 21, to take advantage of the number of people in courses which were cancelled due to insufficient registration.

What Is This Madness?

When one of THE LANCE'S photographers, Lisa Wollman, turned in her work on last week's soccer matches, she wrote on this photo, "I haven't figured this one out yet." Have you? Send your idea of what's going on here to us - at Box 757 - and we'll print your ideas in our next issue. The best one may or may not win a prize.

College President A. P. Perkinson has announced to the faculty the formation of a committee to search for a Dean of the College to replace Victor Arnold, who resigned in May.

In a memo to the faculty on September 27, Perkinson said that in accordance with the guidelines established by the faculty in a May meeting, the committee will consist of chairmen of the three academic divisions of the College, three students, to be appointed by Student

Association President Paul Baldasare, and three additional faculty members to be elected by the faculty at large.

Nominations for the faculty positions will be taken at the faculty meeting of October 13. Dr. Donald Barnes, chairman of the Division of Health, Natural and Mathematical Sciences will serve as chairman of the committee

Currently the post is held by Dr. Ronald Crossley, a professor of Religion at St. Andrews.

Swine Flu Registration To Begin

Scotland County's participation in the nationwide swine influenza vaccination program is scheduled to begin soon after October 4, County Health Department officials have told THE LANCE. Currently the department is holding a preregistration for those who wish to receive the vaccine. Although not among the highest risk age group (60 to 65), St. Andrews students are also encouraged to be vaccinated by department officials.

The vaccine offer protection against swine influenza, a strain of flu that caused a worldwide influenza pandemic in 1918. Early this year several hundred recruits at the Fort Dix, New Jersey ar-

my outpost contracted the flu, which led the federal government to consider the threat of a widespread outbreak serious enough to call for a nationwide inoculation program.

Before preregistering at the Health Department, which is located on Main Street next to McDonald's, citizens must receive information concerning the vaccine and its possible side effects, and sign a small registration form. Those under 18 must present evidence of parental permission. More information can be obtained by visiting the Department between 8:30 a.m. and 5:00 p.m. Monday through Friday, or by calling 276-1411.

College Union Board Has Big Plans This Week

The College Union Board has scheduled two events of campus wide interest for the coming week, says CUB Chairman Jack Vaughn.

The first event, occurring tomorrow night, is "The Grand Casino-1926", an at-

tempt to recreate the ambience of a 1920's gambling establishment, complete with a variety of games-poker, roulette and the like-for participants to engage in. To keep the affair legal, though, Vaughn says, the money - \$10,000 will be given to each

comer- will be fake.

All participants are expected to come dressed in 1920's style apparel; at the end of the casino an auction will be held, this time with real money involved, for a number of prizes and merchandise donated by Laurinburg businesses.

St. Andrews will be included as one of the stops on a cross country tour of college campuses by a zany, nostalgic film extravaganza called "The Mind-Boggling, Never-To-Be-Forgotten-Or-Believed Escape To Movie
