# Knights Edge Coker; Raise Record To 2-1...

A staunch defense and some clutch play by freshman Jeff Madden pulled St. Andrews out of the fire, as they edged Coker 61-59. The Knights raised their record to 2-1 with their second victory over the Cobras this season.

"We appeared a bit nervous in front of the home crowd," coach Doug Riley said. "But, they played a good game, otherwise they wouldn't have won. Last year, Coker won the same tpe of ballgame; this year, we won with mostly freshmen on the floor.

"They're young and made a lot of mistakes, but I saw quite a bit of improvement out there also. They rebounded very well. And our defense was outstanding, it saved the game for us."

After rolling out to a 12-6 lead in the first five minutes of play, the Knights hit a dry spell. Te Cobras took advantage of the situation,

closing the margin and then building a lead of their own. That set the scene for the rest of the game. By the half St. Andrews had battled its way to a 31-29 lead.

That lead withered as the second period began and Coker outscored their hosts eight to two in three minutes. The Cobras stretched their lead to six before the Knights began to fight back. Freshman Jeff Madden at the post then took the reigns and scored nine straight points giving SA a one point lead. Coker came back once again, however, and extended a seven point lead.

With just under eight minutes remaining, Butch Keller cut across the lane and sank a seven foot shot to cut the deficit to one. Micah Lee then scored on a layup after a steal and St. Andrews lead 58-57. Coker recovered the lead temporarily on a basket.

Keller waws then fouled, but missed on a one and one. With less than a minute left St. Anrews hopes were quickly faltering until Madden's arms came high over the rim for his tenth rebound. He turned and sot returning the single point edge to the Knights.

Coker had another chance but was carged with two infractions in less than ten seconds sending Dave Sillampaa to the foul line. He sank one for the final 61-59. On their last trip down the court, the Cobras threw up a desperation shot and Sillampaa grabbed the rebound to end the contest.

Co-captain Butch Keller was the high scorer with 16, along with the Cobras' Ernie Nimmons. Center Jeff Madden added 13 more points and lead the team with 10 rebounds.

## But Drop To Maryville In Tough Contest

The Knights traveled to Maryville, TN, and fell to a powerful Maryville College squad 74-63. The defense did, however, manage to hold Wayne Enme, the nation's number two scorer to just four points, 21 under his average. In a see saw battle, St. Andrews fell and evened their record at 2-2.

St. Andrews fell behind early, but fought its way back to a six point lead at 26-20. That kind of play was indicative of the entire contest as neither team could hold on to a lead against the other. The Knights were on the short end of the score as the first half ended, 41-32. They fought back once again as the second

period began. But their play was spotty and Maryville appeared to have the upperhand.

With just six minutes left in the contest, the host team went into a stall using thefour corners, as they held a six point lead. St. Andrews failed to break the stalling tactics and only fell three more points behind as time ran out. Freshmen Dave York, Wayne Malone and Dick Gilbert lead the Knights effort. York was the high scorer for SA with 17, hitting eight field goals. Malone and Gilbert had ten apiece. Maryville's Billy Yeats and Ed Nelson were high scorers for the game with 18 per man.

"It was one of those games

where we played well on one end of the floor and sloppy on the other," commented coach Doug Riley. "We didn't have the intensity of play that we really needed to win. Our transitions from offense to defense were slow and that hurt us badly. It is just going to take soje time to get 40 minutes of good play from such a young team and that is what it takes to win."

"This was probabl one of the best fundamental teams that we have met or will meet this year. They played a very fast game. We played their top man very well with Gilbert, Micah Lee and Mike Breeden sticking with him most of the game. But then we let two other players get free all night long. We just need to play fundamentals."
