

# Support Your Local Volleyball Team

by Ann Boone

As of Friday, October 5, the St. Andrews Women's Volleyball team had a record of ten wins and one loss. Coach Williams tells of how the Lady Knights had a slow start, but the year is becoming a very pleasant surprsie. Before the season began, it was necessary for them to have open tryouts to get more players. It was soon seen that this had been a profitable move. The team as a whole and as individuals has come very far since the year began. Just one example of individual effort is Laura Stroud. She came in as a freshman player with an injury. Her rehabilitation was difficult, but she is playing now and giving her all just like the other members of the team.

One player is not able to give her all at this time. Junior Debbie Egan was injured last week in the game against Methodist College. The injury is a sprained knee. Hopefully Debbie will be back before the season is over. Mel Wrenn is doing a fine job of covering the space left by Egan's absences, but even so, Debbie is missed.

Our Lady Knights ended in a three-way tie for first in the Dixie Intercollegiate Athletic Conference last season. Their goal for this year is to hold the first or second place spot alone. The air in the Conference has changed over the last couple of seasons. Teams have improved and have become more and more competitive. The Knights' record in the Conference is 6-1 now with the only loss being on October 3 against UNC-Greensboro. Until that game they led in the Conference; UNC-G leads now. However, we have advanced to be 13th in the National Division III ratings.

The next home game, after a long, away-game stint, is on Tuesday, October 23 against NC Wesleyan. Coach Williams and the whole volleyball team want to thank the St. Andrews students for their support during home games and to ask them to keep up the good work.

Striving for Numero Uno!

## Volleyball

Tues., Oct. 16	Coastal Carolina	Away 7:00 p.m.
Fri.-Sat., Oct. 19-20	W. Maryland Tournament	Away TBA
Tues., Oct. 23	NC Wesleyan	Home 7:00 p.m.
Thurs., Oct. 25	Greensboro	Away 6:00 p.m.

Dr. Gottlieb speaks before students.

# Laurinburg Area - Hon

By Debbie Egan

There are ghosts in Laurinburg and its surrounding areas. That is what many students at St. Andrews are starting to believe. There has been constant chattering going on among friends about the strange occurrences they have seen while visiting these "haunted places".

There are three main sites in which students have reported strange occurrences happening. These three places are: McLeod Cemetary in Maxton, Smyrna Church in Smyrna, and "The Light" located approximately 40 miles from Laurinburg.

The story behind McLeod Cemetary is that there is a statue of the Mother Mary located in one corner of it. This statue is said to have life and this can be proven

by feeling the wrist of the statue in which there is a pulse present. There are only a few students, however, that have actually made it close enough to feel the pulse. Many others have reported hearing strange noises, some sounding like footsteps, or seeing moving objects on their way to the statue, thus, causing them to turn around and leave rather quickly. Those students who actually made it to the statue say they did indeed feel a pulse beating.

Smyrna Church is known by many as a haunted church. The story says that this church was closed up several years ago because it was haunted. The church looks freshly painted to this day and there have been no reports of anyone painting it. Also, there are students who have reported going by the church and
