Court Interference

by Deborah Kelly

It has been brought to the attention of the physical education staff that the tennis courts have accumulated an excessive amount of litter, particularly broken bottles. Maintenance has managed to pick up the larger particles of trash but the slivers of glass make sweeping un-

necessarily difficult and time consuming. With tennis tournaments right around the corner, it would be appropriate to remind the members of the St. Andrews community to show some respect and pride in their campus.

The St. Andrews Cheerleading Squad did not walk away with first prize at the February 22nd competition held on campus; nevertheless they placed #1 in our hearts this season. GO GIRLS!
