

# St. Andrews Riding Program

by Dawn Alastik

At St. Andrews there are many ways of participating in the riding program. For horse lovers who want to become involved there is the option of taking riding for P.E. credit at the beginners level, joining the riding club, or becoming a member of the IHSA riding team. Intermediate and advanced riders can also participate in the IHSA program at their levels. For experienced riders, becoming a member of the ANRC team or a member of the judging team are additional options. The riding council is also included in the program; however, members are nominated by coaches Shelby French and Jon Conyers and must show extensive interest and dedication. Presently, the members of the riding council are Margaret Fuller, Lisa Wagner, Katie Martin, Danny Robinson, Kathy Rice, Leah Cook, Colleen Kelly, and Donna Byrd, who is also the team captain.

Once again the St. Andrews Riding Team has emerged victorious as they finished up regional competi-

tion taking first place in Stock Seat. The team has held the title of regional champs for three years in a row now, and they are once again eligible for national competition. The IHSA's (Intercollegiate Horse Show Association) National Competition will be held in Charlottesville, Virginia on May 2nd, 3rd and 4th. Riders representing St. Andrews are as follows:

**TEAM WESTERN**  
Lisa Wagner  
Kathy Rice  
David Bostic  
Danny Robinson

**INDIVIDUAL STOCK SEAT**  
Danny Robinson  
Donna Byrd  
Donald Cain  
Katie Martin

Competing in an ANRC event this past weekend at Little River Farm in Southern Pines were: Margaret Fuller, Lisa Wagner, Kathy Rice, Katie Martin, and Mindy Denny.

## ADAPTIVE ATHLETICS:

### Super Bowl for MDA & Annual Wheelchair Games Riding Competition Update

By Del Spruill

The Wheelie Super Bowl is scheduled for May 2nd in Harris Courts. Tickets to the game will be sold at the door and all proceeds will go the Muscular Dystrophy Association. The teams coach is Jerry Acanfora, and television coverage of the game is very possible. The teams

have been playing twice a week since February, but more recently they have been training for the Annual Wheelchair Olympics. Olympic events include: swimming, weightlifting, discus throw, and shot put.

Remember to attend the game and cheer on your favorite players while supporting a good cause!
