

## Softball Continues Season

By Eric Dignons  
Staff Writer

The Lady Knights, so far this season have experienced many highs and lows. Their record in 7-11-1, but according to Coach Laurel Smith things are beginning to look up.

Smith feels that the team struggled early in the season because of inconsistency in the Knight's defense and pitching. "Recently, these two areas are continuing to improve." The change in play Smith believes is due to the enthusiasm of the team and their belief that they are capable of winning. The coach is confident that the Knights will continue to improve due to the players' drive to succeed.

The Knights do not have trouble in the hitting department with a team average hovering around 300. The Lady Knights have a 1-3 record in the conference, but the one was a three hit shut-out pitched by junior Kerry Gilbert.

The conference tournament is coming up on April 19-20 and Smith is "hoping the team will stay consistent and make a run for the conference championship."

## Rhino's Win Over the Wildcats

By Abe VanWingerden  
Staff Writer

After struggling through their first two sets of matches against Carolina and Duke Graduate School, the Rhinos looked to rebound against a Davidson team on March 9 at Davidson.

The game was played immediately following a rainstorm, so once again, the Rhinos were involved in a sloppy game. Due to the injuries of Scott Gregory and Lane Moore, the Rhinos were also caught in the dilemma of starting some players at new positions and starting some players in their first game ever. David May, Darren Sinopoli, and Nate Fairfield all experi-

enced their first Rugby match and were a healthy addition to fortify the strength of the Rhinos.

The match against Davidson featured a scoreless first half as both teams threatened but were turned away by good defense and poor playing conditions. The second half was full of scoring as the offense and the conditions improved and the defense on both sides declined. The Rhinos struck first on a Mike Pesackis penalty kick to make the score 3-0. The Wildcats countered with a penalty kick of their own to tie the score. But the Rhinos pushed forward for the first try of the game scored by Abe VanWingerden to make the score 9-3 in favor of the Rhinos. This score held for awhile

until Davidson scored a try on a broken play to tie the game once again.

There were only five minutes left in the game and the Rhinos seemed destined for a tie until the offense decided to explode. Within the next five minutes Mike Pesackis scored on a penalty kick, Chris Patte recovered a fumble and scored a try, and Darren Sinopoli scored on the game's last play to make the final score 21-9 in favor of the Rhinos.

The Rhinos record improved to 1-4 as they prepare for this weekend's (April 6) home game versus Duke University at 1:00 at the track. The Rhinos appreciate and encourage your support.

## Amnesty International at S.A.

Many have heard of Amnesty International and the successes it has had in pressuring various foreign governments into releasing prisoners of conscience, i.e. people imprisoned because of their beliefs. What you may not know is that St. Andrews now has a chapter of Amnesty International meeting on campus. The group meets once a month (second Mondays) in the SGA office in Belk at 7:30 p.m. The group is asking people to join by spending an hour writing letters to despots.

The next meeting will be Monday, April 8th. For more information contact Dick Prust or Sharon Frain.

"We only lost four seniors on the men's team and two on the women's. Both teams will be coming back well experienced." Outstanding players that will be returning next year for the men are two all conference performers Ian Pena with 13 goals and five assists and Alan Johnson with four goals and six assists. The women will see all-district returners Hayley Ladell (also the leading scorer in the conference with 20 goals), Cathy Feeley with 12 goals and nine assists, Joy Feinburg with 12 goals and nine assists, and Katie Vines who anchored the team's defense.
