

SHAWN COFFMAN

Shawn, when we taught you to "Hug a Tree" on our many forays into "George's Woods", we never dreamed you'd be a biologist!

Congratulations for a job well done and best wishes for the new adventures ahead. Shalom,

Proud, prouder we couldn't be.  
Although it cost us a hefty fee.

We love you and hope that your future is bright.  
And some day we know that you'll beat Tom Kite.

Love Ya,  
Mom and Dad.

PHILIP ROEMER

What should we write of our dear brother Phil,  
Who while we were growing was always a pill.  
But now he's a graduate from St. Andrews College,  
And impresses us all with his great feats of knowledge.

We're used to you now 'cause we are much older.  
We'll always be here if you need a warm shoulder.  
So we'll give you a break and tease you no more,  
Congratulations, Best Wishes & Kisses GALORE!!!!

Love, Michelle & Glenn
