

Update

(Continued from Page 8)

The Knights scored the first 9 goals, including 4 by Fitzgerald. Also contributing with 4 assists was sophomore Zach Mryncza. The biggest game of the season for our Knights came Wednesday March 10th, as the men traveled to Wingate, the 2nd-ranked team in the region, and defeated them 9-8 to move to 3-0 in the conference. The meat of the schedule is coming up, as the Knights face 4 straight Deep South foes including the home finale against Limestone April 3rd and follow two non-conference games up with the Deep South Tournament.

Women's Lacrosse

The Women's Lacrosse team, a first year athletic program, also had a good start to the season. They have had the normal growing pains of a new team, giving up more than 15 goals per game while scoring just under 5. However, the season has not been without bright spots. They picked up their first-ever win March 4 over Averett 12-9. Freshman Corey Whitbeck scored 6 of those goals and added an assist, and junior Allana Sowell played a spectacular game in goal, making 11 saves. So far this season, the team's record is 1-8 (0-1 CVAC), with 3 more conference games remaining. Come support the Lady Knights as they forge towards the CVAC tournament in April!!

Baseball

The St Andrews Baseball team has had a season that can be described as streaky at best thus far. While they have had a pair of 4-game winning streaks, they have also thrown in a pair of 2-game losing streaks, a 3-gamer, and are currently in a funk of losing 8 of their last 9. Overall, the Knights nine are 12-16, with a 5-6 record in the CVAC. Junior Everett Kelly is leading the team with a .433 batting average and 29 runs batted in, freshman Clifton Allred leads the team with 7 home runs, and sophomore Will Clark is having a spectacular all-around season, owning a .404 BA, 5 HRs, and 20 RBI. The pitching staff boasts 5 players with 2 wins apiece, sophomore Demetrius Jordan, freshman Ryan Curley, sophomore Anthony Mehling, sophomore Brad Smith, and freshman Josh Porter. Jordan leads the team in earned run average, with a 3.89 clip, and has added two complete games to his stat line. Mehling also has helped the staff by garnering 3 saves and a 5.75 ERA. The team faces four 3-game series with CVAC opponents

in the next month, and the home finale is April 21 versus Lander College. Come support the Knights as they gear up for a stretch run!

Softball

The St Andrews Softball squad has faced a tough early season schedule and their record has suffered as a result. They have played a 5-games-in-2-days tournament at Francis Marion and have faced 3 nationally ranked opponents (including #1 Kennesaw State), and as a result currently hold a record of 7-12. Two of those wins came in a doubleheader against Bluefield State on March 15th. Both wins came by a score of 7-0, with senior Tina Gonsalves pitching the Lady Knights to a win in the first game and sophomore Sara Jones doing the duty in the nightcap. Gonsalves was 2 outs away from a perfect game in Game 1, as she gave up a bunt single with 1 out in the seventh inning. Gonsalves also had a good hitting day, going a total of 4 for 8 with 3 runs scored and 1 batted in. Senior Tara Thomas had a RBI-double in Game 1, hitting 3 for 6 in the pair of games, knocking in 2 runs and scoring 2 as well. The Lady Knights start their conference play this month, facing 9 CVAC opponents, including the home finale against Pfeiffer on April 9

Men's Golf

Hampered by bad weather and injuries, the St Andrews men's golf team has had a rough start to their fall season. The first tournament of the season at Barton's Wilson Country Club was marred by gusty wind and rain on the first day and tough conditions as a result on both days. Freshman Alvin Yeung placed 16th overall with a pair of 77s, while freshmen Do Ha and Sergej Dronov shot 163. To round out the St Andrews five players, freshman Corey Fleck shot 165 while sophomore Graham Bell scored 177. The team placed 6th overall, 35 shots behind the winning team, Barton. The linksters came back the next week and played their home tournament under similar conditions, with steady but light rain on the first day and steady and at times heavy rain the second. Yeung again was medallist for the Knights, coming in 9th overall with an 11-over par 155. Fleck was the next Knight on the leaderboard, shooting 159 to place 23rd. The Knights came in 8th overall, with the Knights' B-team playing as well and coming in 16th place. The golfers have three tournaments remaining in the regular season, and then it is on to the CVAC tournament, being hosted again by St Andrews at Foxfire Country Club.

Men's Tennis

The fledgling St Andrews men's tennis team started strong this year, but is starting to fade. They are currently on a two-match losing streak after starting 3-2, including 3-1 against CVAC foes. The team is comprised of six freshmen, so the inexperience and tough losses are to be expected. Joseph Burnett leads the team with a 3-3 record individually, followed closely by Daniel Reuben at 3-4 and Jermaine Sadambura at 2-3. The doubles pair of Reuben and Juan Carlos Arcila is 4-3. The team is faced with a long road trip in the next month, with 6 of their last 9 matches away from their home court. The home finale is April 14th against Methodist College. Come support the team as they brace for a grueling schedule and the CVAC tournament!

Women's Tennis

The St Andrews women's tennis team has faced some tough foes this season, and are predictably struggling. Their record currently stands at 1-6, with their lone win coming in the season opener against Fayetteville State. Freshman Nicholi Marsh leads the team with a 2-5 record individually, and sophomores Aubrie Beer and Alden Lye and senior Megan Zarnowiec have each contributed an individual win during a match. The doubles pairs of sophomore April Rowe and junior Mandy Coltrain and Marsh and Zarnowiec have each won one match during the season. The women also face a tough stretch on the road to close the season, and the home finale has passed already (results were not available at press time)
