Summer Break: This has been an amazing summer! I have worked at a camp in White Oak, NC, for 5 weeks teaching Boy Scouts about archery (I can't shoot an apple off anyone's head, but I can hold my own on targets). Possibly one of the hottest summers I've ever spent outdoors. I also spent a great deal of time in Charleston, SC playing in a grade 2 pipe band. We competed all over the Eastern Seaboard, and in Canada for the North American Championships, having a very successful season. The next exciting event of my summer was planning a hike (a graduation present to myself you might say). This hike will take me from Maine to Georgia, with a side trip from Vermont to Canada on the way down. For those of you who are not familiar with this trek, it is the Appalachian Trail and the Long Trail, which should take me around 6 or 7 months to complete.
