

10 ANNOUNCEMENTS

I hope you all have enjoyed this year's first edition of *The Lance*. It has been a great honor to work with my fellow peers in publishing our school newspaper. We would like to thank our contributors, our writers, and our readers. We also welcome any feedback from our audience so that we may continue to improve with each publication. Don't forget: *The Lance* is always open to new writers, so please do not hesitate to contact us at thelance@sapc.edu with submissions. For those of you interested, we have approached the idea of publishing a St. Andrews social column detailing the lives of our student body. Anyone who has information or would like to join the project is encouraged to get involved. Remember this is your newspaper, so step forward and take some time to take advantage of the wonderful resources our campus provides. Thanks for reading!

-Blair Garnett, Editor in Chief
