SCOTTIES DEFEAT PRESBYTERIAN COLLEGE ANKLETS IN MUDDY BATTLE

On a cold, wet, dreary November afternoon the fighting Scotties of PJC outfought and outplayed the "B" team from Clinton, South Carolina. This was the homecoming game for PJC, and a happy one indeed for the faculty and students.

It took less than four minutes of play after the opening kick off for the Scotties to push across the goal line for their first score of the afternoon. Horace Prevatte threw a running pass to Claude Conner in the end zone accounting for the first score. Hub Knox scored the second touchdown in the closing minutes of the second quarter. The score stood at 12-0. The Anklets came back in the second half to score on a seventy yard run.

The powerful Scotty forward wall-decided the game by blocking three punts, the last one by "Rabbit" Prevatte, with Mullins falling on the ball in the end zone.

Our hats are off to the team for a hard fought, well played game. The present standing for the team is four wins, two ties, and one loss.

INTRAMURAL SPORTS AT PJC

Coach Robert Doak has planned a full scale intramural program at school this year, and plans to carry out contests in all the leading sports. Various teams will be composed of boys living in the dormitory, at the base, and in Laurinburg.

First of the intramural sports to be put into effect will be basketball. Four teams have already been planned to represent the boys from McLeod Dormitory, and possibly two from Laurinburg. There should be some keen competition between these teams, and if any outstanding or promising players are found on the teams they will be added on the varsity or junior varsity teams.

Coach Doak stated that he would enter various track meets throughout the state if it is possible. Third will be soccer and tennis. A number of boys around school are interested in playing tennis, and are looking forward to the turn of the season.

Everyone should co-operate with Coach Doak in these intramural sports because he has a tough job to fill with much hard work ahead.

BASKETBALL

Basketball season is drawing close at hand for the boys at PJC who are preparing to try out for the varsity or junior varsity teams. From the looks of things around school the college will be well represented on the basketball court.

The team last year was composed of Claude Connor, Ollie Bass, Hub Knox, Clovis Baker, and several other returning letter men. Their record did not look too impressive on paper, but the team played the majority of their games against larger schools with more experience.

Presbyterian Junior College is fortunate in having Robert Doak for a coach this year, who himself was a fine basketball player at North Carolina State. Coach Doak is looking forward to having a successful season, so let's get behind him with the school spirit shown throughout the football season.

"Redbirds" vs. Pembroke College

The opening game of the "47" season in basketball will be played at Maxton, N.C. December 9. Pembroke is the first scheduled game for the "Redbirds". This gives little time for practice with the Thanksgiving holidays right around the corner. Practice will begin the Monday following vacation; with good luck a well drilled squad should take the court for the opening game.

Anyone with experience is eligible to try out for the Varsity or Jr. Varsity everyone is looking forward to having a better team this year than ever before.

Terrible Error Dept.

In the last issue of "Sandspur" we carried an account of the P. J. C. Loes-McRae game in which we stated Bondanella made the end zone tackle. We found out very soon that John Hodge made that tackle. Our apologies to both of them!
