

# "Spotlight On Sports"

By BOB HAZARD

Some of you fellow may think that our football team is downright lousy—a bunch of stumblebums that don't have any more business out on the gridiron than a fish out of water. Well, in reality, the fellows on the football team are in there giving everything they've got to win those games for the team and the school. You won't find a single one of them trying to outshine the rest, but you will find them down at the practice field three hours a day, every day, bashing each others heads in, working on offensive and defensive plays, blocking, tackling, passing, and kicking. The boys may not have won any games yet, but you can bet your bottom dollar that they're trying to. **AND IF YOU CAN DO ANY BETTER LET'S SEE YOU COME OUT AND PROVE IT!**

## HERE AND THERE

Clemson's undefeated Tigers really had to put out as they barely nosed past South Carolina last week to keep their status in the national rankings. A blocked punt with less than three minutes remaining saved them.

A record pro-football score was run up last Sunday as the Charlotte Clippers white-washed the Long Island Indians 92-0 at the Queen City's Memorial Stadium. Ten "Clippers" figured in the scoring spree.

The Cleveland Indians, 1948 Baseball World Champions, will need only a few minor changes for the 1949 season, according to Lou Boudreau and Bill Beck.

Next year is what they used to wait for in Brooklyn, but Burt Shotten hopes to get a head start. He met 1949 halfway by watching the Little World Series. Both teams on display happen to be Dodger farms and in this way Shotten gets a look at his prospects under pressure.

When Penn's great Chuck Bednarik dropped back to the full-back slot and tossed an incompleated pass against Columbia recently, the press box remarked: "Now he's done everything." - - - That wasn't quiet correct, for Bednarik, who'd be a 60-minute center except for the fact that he steps into the backfield to punt—and occasionally run, never had scored a touchdown - - - his big ambition was to get one and he made the P. A. man look good a short time later by grabbing a blocked Columbia punt and skidding over the double stripes - - - the All-American center was so elated that he threw the ball into the stands.

The University of North Carolina ran its string of victories to five straight by running over underdog L. S. U. 34-7 last Saturday. End Bob Cox missed his first conversion attempt and it was one of his few miscues. The Tarheels will probably be a slight favorite over Tennessee's hard-hitting volunteers this Saturday at Chapel Hill.

Biggest upset of last week in the South—St. Bonaventure's 7-6 win over William and Mary.

## Intramural Football

By Bob Hazard

The Intramural football program got under way this week with three teams participating. The Second Floor team got off to a good start with a forfeit over the First Floor on Tuesday.

On Thursday, the Second Floor really put in their bid for the championship by dropping the Day Students 12-0. The two teams played on even terms the first half but in the second half, the Second Floor team came back for two touchdowns. Jack Martin's long run set up the score. A short pass from Martin to Willis Beasley counted.

A few minutes later, Bob Hazard intercepted a pass deep in the Day Students territory to set up the second score. Walter White then snagged an aerial in the end zone to finish the scoring for the afternoon.

Jack Martin and George and Garnet Fawcett were the main offensive cogs for the dormitory boys while Pete Hasty, Chick Seals, and Johnny Vaden stood out for the Day Students.

The Intramural league is under the direction of Rev. Charles E. Parrish.

The standings to date:

TEAM	WON	LOST	Pct.
Second Floor	2	0	1.000
Day Students	0	1	.000
First Floor	0	1	.000
Bank	0	0	.000

He: "Since I met you, I can't sleep, I can't eat, I can't drink."  
She: (Shyly) "Why not?"  
He: "Broke."

First drunk: "Say, know what time it is?"  
Second drunk: "Yeah."  
First drunk: "Thanks"

Chaucer and I wrote a story Bawdy and leud from the start. But mine was adjudged panoramic, And Chaucer's was classical art.

## P. J. C. Vs. Davidson Freshmen

The P.J.C. Scotties again tasted defeat, this time at the hands of the Davidson College Freshmen. Though the score reads 28-0, the locals gave the visitors a good battle all the way.

Davidson first cashed in on a 78 yard march, with Johnny Guiton as the wheelhorse. Osborne plunged over from the two and Bauer converted. In the second quarter Guiton again took charge and skirted end from twenty yards out for another TD. Bauer's kick was good. The Scotties went to work then and drove deep into the Wildkitten's territory but lost the ball on the 13. After an exchange of punts and some good offensive playing on both sides, the half ended 14-0, with Davidson in possession of the ball on their own forty.

In the third period, the Wildkitten marched from their own 20 for another six pointer. The score was made on a ten-yard pass from Guiton to Comer. Bauer again sent the ball through the uprights making the score 21-0. P.J.C. received the kickoff and again marched deep into the visitors territory, only to have Osborne intercept one of Ankie Rowe's aeriels on the 27. After Osborne and Stroud moved the ball to P.J.C.'s 30, Bauer took over and on three line bucks he cracked over from the one. Bauer then split the uprights to finish the scoring and top off his own fine game. The Scotties attempted a few passes and then Jones set the visitors deep into their own territory with a booming quick kick. Sloan's forced kick rolled out on his own 29 but the Scotties could make only a few yards. Davidson started driving again but time ran out on Guiton and Bauer can easily be

## Campbell Game Oct. 8 PJC Loses To Belmont Abbey 34-0

The Campbell Camels took complete control of their game with P.J.C. at Buie's Creek. The final outcome was 33-0.

Campbell rammed over for the first TD as soon as they got the ball. Soon afterwards, they struck through the air for 40 yards and another six-pointer. The conversion was good, making the score 13-0. In the second quarter, the Camels again took to the air and crossed the double stripes, leaving the field at half time nineteen points ahead of their visitors.

The Scotties roared back in the third period and seriously threatened but to no avail. Ankie Rowe's passing and D. S. Wood's of the yardage. In this quarter running accounted for a good part of the "Peanut Products" really looked like the same class team as Campbell and played them on even terms.

Campbell came back in the final quarter with sustained drives and netted two more touchdowns to put the game on ice. Just to make sure, two extra points were tacked on to make the final score 33-0.

Outstanding for the locals were Ankie Rowe and D. S. Woods in the backfield and Charles Javens and Hal Sharpe on the line. Wiley Steed's kicking was an exceptional 42.5 yard average per kick. Regular guard John Dwyer was sorely missed as he sat on the sidelines with an injured knee.

## P. J. C. vs. Brevard

LAURINBURG — Oct. 2nd. The Maroon "Scotties" met the "Blue of Brevard" in Legion Stadium before a large crowd of spectators to see a favored Brevard team pitched against P.J.C. So without delay lets look at that game by the quarters, a game that was a thriller!

The first quarter saw P.J.C. open up with a 23-yard run by Ankie Rowe, only to be called back on a clipping penalty. From there P.J.C. was forced to kick and Brevard started rolling for pay dirt, and on the third down they picked up good yardage for a scoring position. On the next two plays, Martin, of Brevard went around end and scored. The extra point was no good and Brevard led 6-0.

P.J.C. opened the second quarter from their own 28-yard line to the 41 with Wiley Steed carrying the ball. On the second down, after failing to gain yards, Steed threw a pass which was intercepted by Rigging, who went the distance for Brevard. The extra point was good, and as the half ended Brevard led 13-0.

Third quarter — This quarter, in the opening minutes, saw a see-saw battle on the field, but once again Brevard struck hard and deep, and on last down, with the ball resting on P.J.C.'s 12-yard line, Martin made an end sweep and scored again for Brevard. The extra point was no good and at the end of the third quarter Brevard led 19-0.

Fourth quarter — This is time an enraged "Scottie team" started clicking with Prevatte doing the ground work and the capable arm of Ankie Rowe doing the air attack. With the ball resting on Brevard's 7-yard line, Talbert took a lateral from Ussery, skirted left end and made a touchdown. The punt for the extra point was no good. The game ended with Brevard winning with a score of 19-6.

singled out as the stars of the game for the visitors. Ankie Rowe displayed his usual fine brand of ball and Garland Barker and D. S. Wood showed well for the Doakmen.

Once again the P.J.C. "Scotties" were dumped into the doldrums of defeat and a strong claim on the loop's cellar. A decisive 34-0 count was registered against the Scotties by the Belmont Abbey Crusaders Saturday night. The trial period on a punt return. The Crusaders counted first in the infernal long runs around the ends were good for another six points followed by a conversion 13-0. In the second quarter, Snider intercepted a Presbyterian pass and went over standing up. The hosts left the field with a 20-0 lead at In the third period it was most-half time.

ly give and take as neither team scored. Although the Scotties controlled the ball most of the quarter they couldn't muster a scoring punch. A pass from Garland Barker was good to Powell Jones on the Belmont 20 but that was as deep as the visitors penetrated in that drive.

The final stanza brought about two more Crusader scores. Left End Loehr found a pass in the end zone for one and Snider plunged over for the other. The locals drove to the Belmont 5 but lost the ball on an intrecption. Bobo Newsome, a converted wingback, showed well at guard as did Larry Diggs at tackle and Powell Jones and Garland Barker at the terminals. Bill Jones was an outstanding backfield performer on defense.

## P. J. C. Vs Asheville-Biltmore

The Scotties again took to the road and again failed to chalk up number one in the win column. But this game showed a marked improvement in their offensive tactics. The line failed to live up to their past performances and that is precisely where the game was lost.

After a quick succession of six plays, D. S. Wood went over from about nine yards out. The Maxtonians held their ground for almost ten minutes before the host team was able to get into the black column. In the second quarter, Rainwater rowke away and went 25 yards for the second score. The half ended 12-6.

In the second half, things ran fairly smooth for the locals until several of the key players were taken out injured. Horace Prevatte had a painfully twisted leg Garland Barker was severely roughed up and Ted Brillhart sprained his ankle.

One of the outstanding plays of the game was a pass completed from Barker to Powell Jones. The backs had made several yards per try through the line and then the lanky end sneaked into the backfield, took a handoff, faked a run but faded back and let fly a forty yard aerial right to the arms of the ever present Jones.

With a good bit of the Scotties offensive punch gone and more missing from the line, the Asheville team went to work and piled up forty-four points before the evening was out. The final score was 44-6.

## Introducing

CHARLES JAVENS

When you look out on the football field and see the little man with the big number 14 on his jersey in a majority of the plays with devastating blocks and smashing tackles and, in general, pepping up the squad, you'll know that this is Charles Javens. Charles was born in Orlando, Florida, twenty one years ago,

but he now calls Mount Dora, Florida his home.

He played two years of football at Mount Dora and was captain of the team. The 5' 8", 180 pound guard also played basketball in high school but has decided to stick mainly to football at P.J.C. This Florida product is one of the returning lettermen on Coach Doak's team and was a regular guard all last year. Charles served a two year hitch in the Army and saw action in the Philippines and on Okinawa.

Charles is well liked by his team mates and fellow students. He has been game captain several times and was elected president of the sophomore class. He showed his ability as a student last year in becoming valedictorian of his class.

At the present, he is working on his arts degree. After graduation, Charles says he may go to Davidson College, but, as yet, nothing is definite. As for his plans for the future, Charles is yet undecided but he is often seen at the cafe with several young ladies of Maxton.
