JUNIOR HIGH SCHOOL

The thirty-seventh annual session of the State Normal School finds the Junior High with an enrollment of only nineteen students, but with the class spirit and cooperation that is now existing we feel sure of success.

The class met on September 17, 1928, and elected the following officers for the session 1928-29:

- Boston Cherry—President.
- Jessie Mae Williams—Vice-President.
- Estella Tillett—Secretary.
- Addie Keys—Asst. Secretary.
- Theodosia Coston—Chaplain.
- Rev. J. T. Doles—Faculty Advisor.
- Program Committee—Rosa Jacox, Helen Willie, Gladys Barrington, John Lewton, Robert Johnson.

SENIOR HIGH SCHOOL CLASS

Again the gong strikes and the members of the Senior High School class assemble in their class rooms to complete the last of the four chapters of work prescribed by the high school curriculum. For three years we have been laboring to live up to our class motto, "Labor omnia vincit," "Work conquers everything." We consider it a privilege to be confronted with greater responsibilities which lead to higher ideals.

Who neither labor nor trouble shirks,
Who uses his hands, his head, his eyes—
The man who wins is the man who tries.
