#### A FORMER STUDENT WRITES

12 1-2 W. 118th St.,  
New York City,  
Nov. 23, 1928.

Miss E. J. Lewis,  
State Normal School,  
Elizabeth City, N. C.  
My Dear Miss Lewis:

Enclosed is a money order for one dollar (\$1.00) to cover a 7 months' subscription to the State Normal Banner and also the cost of mailing. It was quite a glad surprise to receive the paper and much credit is due to all who helped to materialize the publication.

I think the paper is very neatly composed and I have only one regret. I saw nothing at all concerning football, basketball and the like. I shall look forward to the baseball season's having some space in the paper.

I trust you are well and enjoying the most abundant success in Life's ever changing deal. I am now a Railway Mail Clerk and I owe everything to S. N. S. and to him who doth all things well. Please give my regards to all who know me. I am  
Very Respectfully Yours,

Owen H. Thompson.

#### RELIGIOUS ACTIVITIES

The members of the Y. W. C. A. cabinet assembled in the "Y" room of Cymera Hall Tuesday night, November 6, 1928. There they discussed the different activities which were expected of the members this term. In order to arouse the eagerness of the members it was suggested that the cabinet meet twice a month and make reports of their achievements in the reading of books, magazines and literature. It was also suggested that the members should take part in the discussions held in their various meetings.

On Sunday afternoon, November 11, the Y. M. C. A. and Y. W. C. A. held joint sessions. The program rendered was enjoyed by all present. The discussion was, Resolved: That our attitude toward our enemies should always be favorable, was led by Miss Bernice Stewart, affirmative and Miss Clara Roberts, negative. This discussion as a whole was very helpful. The majority agreed that our attitude toward our enemies should always be favorable. One reason given was that of gaining friends.

"Nothing weakens a man more than to feel that he is abused."
