

## ALUMNI SPONSOR CONTEST

Again the Alumni of the College are sponsoring an oratorical contest open to Juniors on the subject, "The Negro and the Present World Conflict". The contest has two distinct phases. In the first, papers are submitted to a committee of judges. This committee then selects the five best. The writers thus selected become participants in the oratorical competition, which is the second phase.

This year the papers are due on April 30th. Last year the contest was open to both Juniors and Seniors but this year competitors are restricted to members of the Junior class. A larger group is expected to compete this year than ever before.
