The New Look

As the women add the "new look" to their wearing apparel for spring and summer for 1948, we too can find several contributing factors that add to the "new look" of our campus and institution.

In recognition of these factors, I feel that first we should consider the "A" Rating received by our college recently. This contributes to the educational "new look" of our campus.

The second contribution to the "new look" is the beautifying of our halls with the new linoleum. This addition helps to add the "new look" and make attractive our Administration Building.

We almost must consider the efficiency of our administrative staff as one of the "new look" contributions. As we look around we can see the new additions to our staff as well as the Ph.D's and prospective Ph.D's, that help one to recognize the "new look" in the efficiency in our Administrative Staff.

Another contribution is the new system of registration that has been introduced to make registration easier and a better time-saving device both for the administration and the students.

There is certainly no sign around our campus that the educational "new look" will be as ephemeral as the "new look" in fashion.

Campus Entertainment

Miss Annie V. Smith and the students taking Home Economics presented a very beautiful fashion show, "Around the Clock." The participants modeled sport wear, afternoon dresses, evening dresses, informal and formal attire.

The annual crowning of "Miss S.T.C." was elaborately displayed in the auditorium April, 1948.

Miss Muriel Newkirk, a senior of Wilmington, N. C. was chosen by the student body to assume the title of our schol. Mrs. Ruth Frinks performed the crowning and the two runner-ups, Miss Eunice Alston and Miss Edith Powell, served as attendants.

Along with the stage decoration, twenty of our most charming young ladies gorgeously dressed in a multitude of subdued colored evening dresses, served as a background for the occasion.

The Williamston High School Glee Club from Wilmington, North Carolina gave a concert in Moore Auditorium April 8. For one hour, we were entertained by their superb rendition of both classical and spiritual selections.
