

Scheduling of Basketball Is a Headache

Many Non-Conference foes have cancelled their basketball games with STC because at those schools. There was a misunderstanding of terms between Shaw University and STC. North Carolina College and Hampton Institute are having budget trouble. St. Augustine's reason is unknown by the writer.

In order to be recognized as true champions, it is necessary to play teams who are not members of your own conference and defeat them. A good example of this was when A & T College was declared the National Mythical Champion by the INPS over Southern University and Florida A & M., this past football season.

I sincerely hope that Coaches of the Collegiate rank will hold true to their contracts, be they written or oral. A man's word should be his bond. When other seasonal sports come around, I hope that there will be no misunderstanding of any kind. Budget difficulties cannot be helped. These reasons may be true and sound. Being no journalistic authority to say "Exactly" what is what, I solemnly believe that we have a good basketball team which is functioning beyond the playing ability of some of the nearby teams.

Lane Hall Sisters Defeat The Pirates

Lane Hall Sisters, married ladies residing in Lane Hall, defeated the Pirates, women teachers of the campus, in the most thrilling game of the season, Saturday night, January 19, 1952, in the State Teachers College gym.

The game got underway with Lane Hall Sisters scoring first after about five minutes of play. Then the Pirates scored one point, but the Lane Hall Sisters took over and scored four points, making the score 7-4.

The second quarter found the Pirates with the same defense they used in the first quarter, but the Lane Hall Sisters continued to hold their advantage and extended it six points making the score 13-11. With only one minute and six seconds left to play in the first half and Lane Hall Sisters in the lead, Rhythym Gamble decided things had gone far enough, and scored two points in one minute making the score at the half 13-13.

The slow and deliberate playing of the Pirates proved no match for the fast breaks of the Lane Hall Sisters who had their biggest lead in the second quarter.

The two teams were rocking along at an even pace in the third quarter when Bernice Jerald led a fast-breaking offense which gave Lane Hall Sisters a substantial lead 15-11. The Pirates were guilty of bad passes, but in the last few seconds in the third quarter, Kentucky Bill Willis came up with a couple of shots making the score 14-13 at the end of the third quarter.

Margaret McDonald, a junior and all-around 5 feet 2 inches forward for the Pirates, was the star of the game. She scored four points in the first quarter and ended with a total of twelve. With only a few minutes left in the game Ernestine Cordon got busy for the Lane Hall Sisters and scored six points bringing the game to a close with Lane Hall Sisters winning 20-17.
