

# Pirates Win Over Broncos 20-15

## FOURTH QUARTER SCORES BEAT BRONCOS

The mighty Pirates had to come from behind to beat a fired-up Fayetteville eleven 20-15. Quarterback James Godfrey and End Ephriam Green clicked for all three of the Pirates' scores. Godfrey also kicked 2 points after touchdowns.

The Broncos scored first when they caught Godfrey in his own end zone, and tackled him for a safety. The Pirates came back to go ahead 7-2 when Godfrey hit Green all alone on the Broncos 35. The half ended with the Pirates leading 7-2.

The fighting Broncos, after receiving the kickoff, continued to pass and run for yardage. A one-yard plunge put them ahead 9-7. Minutes later they scored their last touchdown, after recovering a fumble on the Pirates' 45. The Pirates, with time running out came fighting back as Godfrey took to the air lane again. Finding his favorite receiver open and heading for the goal, Godfrey hit Green with a 40 yard scoring heave to cut the Broncos' lead to one point. With about 5 minutes left, the Elizabeth City eleven began to move for their final and winning touchdown.

Smith, taking a pitchout from Godfrey, raced 35 yards to the Broncos' 32. Picking out his favorite target, Green, again Godfrey tossed to him in the right flat. Shaking off a would-be tackler, Green sprinted 29 yards for the score with only 2 minutes left to play.

This was the Pirates' sixth win. They have lost one.

## A FOOTBALL PLAYER

It is the second quarter in one of State's tight football games. The ball is on State's 35 yard line. The Pirates rush out of their huddle to the line of scrimmage. In the quarterback slot is a short, small and almost skinny young man. He confidently barks out the snap number Ready! Get set, hike one-two, and the ball is snapped. He fakes smoothly to the fullback, then fakes a pitchout to the halfback. While the opposition and fans are trying desperately to find the ball, he drops back into the slot, coolly looking for a pass receiver. Expertly, he finds an end breaking into the opening. Then throwing with precision, which comes only with constant practice and years of experience, he connects on a sixty-five yard scoring play.

Minutes later, the opposition has the ball. Suddenly their big 219 fullback breaks into the clear, looking as if he might go all the way. But wait! A tiny flash of lightening rushes up from the Pirates' safety position. The fans shout at his courage; but how can a 135 pounder stop a heroic demon almost twice his size? You can hear the sound of the collision all over the park, but wait, the fullback is down, and the little man is smiling and helping him up. Many of the fans are astonished, but others sit back and take it in stride. If you knew the "Hawk" you would, too.

## ELIZABETH CITY PIRATES UPSET BY ST. AUGUSTINE'S FALCONS 13-0

A tough Falcon eleven, taking advantage of every opportunity, handed the battling Pirates their first defeat of the current campaign, before the largest crowd of the season at College Park. This defeat leaves the Pirates with a record of five wins and one defeat.

After a scoreless first quarter, the Falcons reached paydirt after a series of running plays, highlighted by a 20 yard dash for the score.

Trailing at halftime, the Pirates came back with plenty of fire the third quarter, but a drive was stopped by a penalty.

St. Augustine began to move again late in the third quarter with its ground attack moving in high gear. The Falcons scored their final touchdown when their quarterback skirted the Pirates right end for the score.

Fumbles, penalties, and interceptions hurt the Pirates' attack as drive after drive was stopped ending a 13 game defeat win streak for the Pirates.

### Football

The Pirates have just received high appraisal from Cal Jaycox, sports editor of the Journal and Guide. Mr. Jaycox, a nationally known sports writer, has placed the Pirates in four-way tie for the National football championship honors. This is a great honor to receive and a great inspiration to the team and rooters.

We of State Teachers College that have wholeheartedly supported our team have something to boast about. This honor has been well earned as the Pirates' log shows a record of 31 wins, five loses and two ties for a period of four years. We also have three E.I.C.A. Championships consecutively. This record has not been surpassed by many teams in the country.

## PIRATES CAPTURE 12th STRAIGHT VICTORY

Stop Shaw University 19-18 in Thriller

The amazing Pirates of State Teachers College, led by their pint-sized Quarterback Cleve "Little Hawk" Godfrey, who handles the ball with "now you see and now you don't" mastery, kept their unbeaten and untied record clear by edging the Tough Shaw University Bears 19-18 on the latter's field.

The Pirates drew first blood in the grueling battle on a 40 yard touchdown toss from Godfrey to End Ephriam Green who raced over to score untouched. Godfrey drop-kicked the extra point and the Pirates led 7-0.

Not to be outdone, the Bears took the kickoff and marched 81 yards into paydirt, led by their all C.I.A.A. candidate Laverne Hunter and Fullback Killings who bulled over from the 3 yard line to score. Wilder's placement was wide, and the score stood 7-6 in favor of the Pirates.

The Pirates' offensive power took over with Fullback "Dick" Branch paving the way on a 47 yard end sweep, which placed the ball on the Bears' 22 yard line. After a series of plays Godfrey again took to the air and hit Halfback Oscar Blakey in the End Zone with a touchdown strike, and the score stood 13-6 with the Pirates still on the long end. This ended the first half.

The second half produced many thrills. With 5 minutes of the third quarter gone, Shaw's Quarterback Wilder gave Hunter a hand-off on the Pirates' 38 yard line, and he snakehipped all the way in the End Zone to score. This tightened the score to 13-12 count as Wilder's placement was again wide.

Going into the fourth period the pepped-up Shaw eleven again turned on its offensive power and marched 51 yards into paydirt with Halfback Lewis going over from the 7 yard line to score, and the Bears led 18-13 with 10 minutes to play.

From this point the Pirates took over on their own 25 yard line, with Branch, Blakey, and Brown alternating the ball-carrying duties and moved the ball to the Bears' 18 yard line. Godfrey then hit End Rodney Tucker in the End Zone to put the Pirates out front 19-18.

Moving the ball to the Pirates' 35 yard line, Shaw tried desperately to score in the last 3 minutes of the game, but Fred Brown, Pirates' pass defender, intercepted a Shaw pass and the Pirates took over. After a series of line-bucking plays, the final whistle blew, and the Victorious Pirates were on top 19-18.

Outstanding both offensively and defensively for the Pirates were Backs: Godfrey, Blakey, Branch and Brown; Linemen: Gordy, Davis, Tucker, Williams, and D. Brown. For the losing Bears: Laverne Hunter, Wilder and Killings were constant threats throughout the game. A thriller indeed!
