

CIAA Record Breaker

EARL FRANCIS

New Records (CIAA)

Earl Francis, a freshman from Franklin, Va., broke two CIAA records this season.

- (1) Most yards passing (season) Francis—960 yards former record by Rams of Winston-Salem Teachers—936 yards
- (2) Most passes completed (season) Francis—61 completions. former record by Rams of Winston-Salem Teachers—54 completions.

Fletcher "Snake" Snipes, a sophomore from Raleigh, N. C. broke pass catching record.

Most passes caught (season) Snipes—31 passes. former record by Knight of Shaw University—28 passes.

Mickey Harper at the completion of 8 games remains the rushing leader of the CIAA, with 487 yards. Harper is a junior and a native of Orangeburg, S. C.

Jerry Jackson is 7th in pass receiving with 12 completions. Jackson is a sophomore and a native of Rhodus Island.

Horace Jones is 10th in CIAA rushing with 320 yards. Jones is a freshman and a native of Capron, Va.

Vesper Hour

The second vesper service of the college family was held October 23, at 6:00 P. M. in Moore Hall Auditorium.

The call to worship was presented by Mr. Tony Ricks with the audience responding. The invocation included a hymn entitled "All People That On Earth Do Dwell." The responsive reading was taken from Psalm 139. Following were prayers. The hymn of prayer, entitled "Dear Lord and Father of Mankind", was sung by the Choir.

Speaker for the evening was Dr. James Eaton. He spoke on the subject "Whither Shall I Fleec". Following the closing hymn was the benediction and choral Amen.

Serving on the vesper hour were Mamie Scott, Tony Ricks, and Dr. James Eaton.

In words, as fashions, the same rule will hold, Alike fantastic if too new or old: Be not the first by whom the new are tried, Nor yet the last to lay the old aside.

Broncos Upset Pirates

The Elizabeth City Pirates were upset by the Broncos of Fayetteville State in a 22-12 Homecoming victory. Fayetteville hit the pay dirt three times and contributed two extra points for a total of 22. Roy Holt, a quarterback, spearheaded the Broncos' attack. Holt passed for two touchdowns and scored one extra point. Elizabeth City fought back without success, but finally saw daylight in the third period with Fletcher Snipes' left end scoring on a 15 yard pass play. Horace Jones, halfback, put the Pirates' final touch in the fourth period with a 2 yard plunge from scrimmage to score.

Bow to Falcons

St. Augustine's Falcons' fourth period touchdown spelled victory for the Falcons and defeat for the Pirates. This defeat darkened the Pirates' Homecoming classic. The Falcons, with a bag full of many surprises, put one out. It was Halfback Harrison who gave this surprise when he scored two touchdowns and set up another. Quarterback Williams had the glory the third time.

Elizabeth City Pirates, reaching for a victory, fought back. Roscoe Hager at right end was hit with a 27 yard pass from quarterback Francis in the second period. Fletcher Snipes also contributed to the Pirates' attack with a ten yard touchdown. Earl Francis scored the extra point.

LSAC Takes Charge Of Assembly

Members of the Lighthouse Student Activities Committee who attended the Region IV Conference in Florida presented a summary program of some of the things that went on at the conference at the University of Florida, October 20-22. The program was held in Moore Hall Auditorium on Thursday, November 17.

Clarence E. Biggs, president of the LSAC served as narrator. Other participants were: Lenora Slade, George Griffin, Janice Pierce, Mr. Thurston DeLane, and Mr. Taylor E. Jones.

Some of the important points brought out during the discussions were: (1) students who are chairmen of committees should try to give all the members something to do so that they will not lose interest; (2) no one organization should try to dominate membership on any committee; (3) students who do exceptionally well should have some type of recognition; and (4) all students should strive to promote the progress of the program. They also gave many of their impressions of Florida, its people, and their hospitality.

Members of the student body who are not as yet a part of the committee, served on the program to help make it a success.

Joseph Daniel Thrills Football Fans

Joseph A. Daniel, music instructor at Elizabeth City State Teachers College, is a very versatile person. He has many talents, but that of baton-twirling is widely known.

He has been twirling batons twenty-one years. While serving his country, Daniel had his own USO show and toured the United States and Alaska (Alaska had not been admitted into the Union at that time).

Twirling Daniel has also appeared with Fred Mack (television 1951) in New York City, in the Orange Bowl and throughout the United States.

Since coming to S.T.C., he has performed at a High School Classic in Bristol, Va. on November 4. The next day (November 5), Daniel led the 132-Piece Tennessee State Marching Band in a homecoming parade through downtown Knoxville, Tenn. (population 150,000). He also performed during the halftime.

Using four scenic cruisers (Greyhounds), Daniel journeyed to Baltimore to participate in the halftime entertainment for the Baltimore Colts on its national television hook-up in Memorial Stadium.

Daniel has also been asked to perform for the New York Giants in New York City, in December.

W. G. A. Presents "Fashion Extravaganza"

The Women's Government Association presented the Vera Gunn Models in a "Fashion Extravaganza" and Beauty Clinic on November 19.

The purpose of the Beauty Clinic was to show persons what their colors, hair styles, and lines should be.

The "Extravaganza" held as evening performance gave the audience a glimpse of fashions for the coming Christmas season. A wide range of fashions, especially designed for various occasions, delighted the large number of students and visitors present.

A very interesting part of the show was the modeling of the basic black dress with various colors and styles in costume jewelry. This was done largely by the college students. It is believed that each person who attended the "Extravaganza" and Clinic gained valuable information about the season's fashions.

Honors and Awards

pete for the cup; (3) to see that the names of these students are sent to the chairman of the Honors and Awards committee.

The scholarship cup is to be awarded Wednesday night, March 15, and presented to the president of the unit with the highest scholastic average. The cup will remain in that unit until next year.

Pirates Down Tigers

The Elizabeth City State Teachers College Pirates overcame a 2-0 halftime lead by the Saint Paul Tigers to win a 24-22 thriller.

The Saint Paul Tigers initiated the scoring attack in the first period when Richardson dashed across the goal line for a T.D. Crawford made the conversion to give the Tigers a 8-0 lead. White, McCall, and Smith scored also with 12-2, and 2 points respectively.

After halftime the Pirates seemed to have super power, Mickey Harper scored the first touch down and Fletcher Snipes set a pass from quarterback Earl Francis for the conversion.

The combination of Harper's running, Francis' passing and a strong determined line kept the Pirates rolling. Before the game was over, Mickey Harper had picked up 191 yards; Fletcher Snipes had made an unbelievable catch at a pass from Francis to give the Pirates the lead, and the Pirates fans were going wild.

In the process of picking up his 191 yards, Harper scored three touchdowns. Every player seemed to have done all that he had to do the game. The victory was certainly a hard-fought, well-deserved one.

Better Than Record

Elizabeth City football is much better than the record indicates. Due to lack of experience and depth the Pirates were handicapped. A host of freshmen dominated the squad as indicated in the fact that they are 22 in number or a percent percentage of 69. There are six sophomores, four juniors, and two seniors.

We have hopes for the team in the future because of the fact that it has not yet reached the height of its potential; also, that five members of the team are in CIAA rating. They are Horace Jones, fullback; Jerry Jackson, halfback; Earl Francis, quarterback; Mickey Harper, halfback; and Fletcher Snipes, end. The latter three of these are leading in their particular categories.

Our able coaching staff is two-thirds new. Arthur Brown, Head Coach, and Leslye Stallworth, Assistant Coach are freshmen on the ECSTC staff. Coach Thomas Caldwell, Assistant Coach and Line Coach, supplies the veteran part of the staff. Although we will suffer one handicap with the loss of Artis Allen, the team manager, we hope to reach greater glory.

Lighthouse Observes

ly conversations were also carried on among the group.

The Lighthouse director, assistant directors, and student members of the various Student Union committees received many splendid comments, and congratulations galore were received.

Basketball Scoop

The Pirates basketball team is high-spirited and raring to get the season on the way. Coach Bobby Vaughan is assisted by George Long and Calvin Williams, both veterans in the field of basketball. With a very young squad, they have started to mold the pieces together. The players are working very hard to prepare themselves for a ball hawking season.

The veterans have a slight advantage over the freshmen in experience and versatility. However, the freshmen are eager to catch up with their fellow colleagues. Paced by such veteran stars as "Marvelous" Marvin Trotman, "Big" Bill Hager, Fletcher "Snake" Snipes, "Jumping" Jimmy Sutton, "Cool" Bucky Curtis, "Squire" Riley, "Little" Hager, "Hawk" Mayfield, "Pull Shot" Hubbard, and a host of promising freshmen, the Pirates are seeking a successful season on the hardwood.

so that each child can achieve to the best of his ability.

The reason given by the speaker for such a poor system is that people in our communities are not educated enough to know the value of a better education, better school systems and facilities. It was mentioned that in order to have a good educational school system, the administrator should understand problems of the teachers. The administrator should face authorities and ask for better schools and facilities. There should be good staff relationship, teacher-pupil relationship, and there should be good relationship between parents and staff members.

Concluding, the speaker said that teachers should not specialize in one field, and as teachers, we should not go out spreading ignorance in our schools.

THE 10 COMMANDMENTS FOR COLLEGE STUDENTS

- 1. Think of every new experience as a rewarding challenge.
- 2. You are on parade: Be alert at all times.
- 3. Control your temper under all circumstances.
- 4. Cultivate a manner of address for all students.
- 5. Don't base your conclusions on anything but true facts.
- 6. Honor all your teachers.
- 7. Avoid extravagance in all your activities.
- 8. Remember you don't know everything; you are here to learn.
- 9. Cultivate your likable qualities, and you will improve your personality.
- 10. Learn to apply, improve and preserve your knowledge that is gained here at S.T.C.
