

Getting to Know Them

GERALDINE VAUGHAN

By Mildred Love
Geraldine Vaughan, a Junior music major, is a native of Franklin, Va., and has been outstanding in her field since her entrance at ECSC.

Gerry has served as piano accompanist to Conductors E. A. Johnson and W. J. Wilson since her freshman year and serves as organist of the Sunday School.

As merit for her outstanding and diligent work as a choir member, she received the 1964 and 1965 Choir Awards.

As an ambition Gerry wishes to become a concert pianist, or a music teacher dealing mostly with the choir.

Excellent piano playing and active participation in musical activities have made Geraldine Vaughan well known around ECSC as an outstanding musician.

AVON CHAPMAN

By Mildred Love
Avon Chapman, "Cool Papa" as he is called by his friends, is a native of New Bern. Chapman is an outstanding freshman on campus.

He graduated from William Gaston Catholic High School with highest honors. At present he is majoring in English and has chosen music as a minor.

The organizations in which Chapman is active include: Campus Staff, yearbook staff, college choir, Fine Arts Sub-Committee, Lighthouse Social Dance Committee, and UCCF.

His ambition is to teach English on the secondary level and eventually to become a college instructor.

Deltas Present Jabberwock

By Barbara Feazberg
The Fifth Annual Jabberwock with the theme "Youth in the World of Art," was presented Saturday, February 27, 1965, at the Elizabeth City National Guard Armory. The affair was sponsored by Elizabeth City Alumnae and Delta Chi Chapters of Delta Sigma Theta Sorority, Inc.

There were five young ladies as contestants in this year's "Jabberwock." The contestants are Missa Vivian Bailey, Moyock, N. C.; Willistine Mullen and Jerlean Shannon, Elizabeth City, N. C.; Gloria Hill, Elon, N. C.; and Jacquelyn Thomas, Hertford.

As the contestants gracefully made entrance in their beautiful white gowns, the audience wondered who "Miss Jabberwock 1965" would be. The question was soon answered as Mrs. H. M. Caldwell, active Delta, announced the winner. She was Gloria Hill.

Mrs. and Mrs. Elton Hill, Gloria's parents, had something to be proud of. This was the second time that "Miss Jabberwock" had come from their home. "Miss Jabberwock of 1963" was their daughter, Jeanetta, and in 1964 another daughter, Carolyn, was second-place winner in the contest. Jeanetta and Carolyn are both enrolled at ECSC.

Following the coronation, a program was presented with participation from the surrounding elementary and high schools. Music for the dance was provided by "The Dukes of Rhythm."

The Jabberwock is a national project of Delta Sigma Theta Sorority, Inc. It is Delta's way of raising funds to provide scholarship awards for worthy high school senior girls.

"A Rewarding Experience"

By Elsie Jones

One of the most rewarding and exciting experiences that a student can encounter is that of doing practice teaching. This is the time for leading and guiding other students as they strive to reach greater heights.

There are constant challenges, but this is good. These challenges cause one to make a self-inventory.

This is certainly the time when student teachers find out that they don't know it all as they thought. They grow along with their students.

Hard But Rewarding

Student teaching is hard work, but it is also lots of fun. The reward comes as the gradual growth of these boys and girls is seen. Instead of rejoicing as student teaching comes to an end, the teacher wishes that he had more time to give to these young people.

On that final day when the teacher is given a surprise party, accompanied with expressions of appreciation and tears, he too, will shed a tear as he says to himself, "What a rewarding and enjoyable experience this has been!"

Spring Training Ends

Saturday, April 10, ended the annual spring training for the "Viking" football team. The season ended with an extra squad game between the Blue and White teams.

"Although the program went along quite well," as stated by Coach Caldwell, "it was not as good as I would have liked it to be."

The coaches were able to get a pretty accurate evaluation of the material as to the positions that must be filled if the team is to have a good '65 season. Individuals who showed promise are Robert White and Charles Singleton. Both are halfbacks. Lincoln Bond had a good spring season at end and Ray Bond did quite well at the guard position.

Seventeen positions will have to be filled for the coming year by incoming freshmen who are ready to make the jump from high school to college ball.

While the White team won, both teams showed a lack of fine spirit that has characterized "Vikings" teams in the past. From tackle to tackle the line will have to be rebuilt. Backs are plentiful and the end position must be bolstered if any type of offense is going to be generated by the '65 "Vikings."

The defensive secondary led by Co-Captain who looked good in spots. Co-Captain Bill Strasser was a pleasant surprise as a defensive linebacker. There were bright spots among individual veterans offensively and defensively. Overall, the coaching staff was not happy with the performance of the veterans.

The big problem that confronts the staff for '65 will be cohesion.

This was the first time that students have served as coaches for spring training. More or less, this gave the coaches a chance to get a better look at the entire ball club. The seniors who assisted during spring training were Percy Watson and Terry Little, coaches for the Blue team. Coaches for the White team were Andrew Little and Alvin Kelley.

"Vikings" Racers Win

The "Vikings" track team put on a fine exhibition of racing by outpacing Shaw University, St. Paul's College and St. Augustine's College in its annual spring track meet at ECSC's College Field on April 3.

In the 100 yard dash, Ronald Coleman, Eugene Snipes, and Benny Hodges came in one, two, three. Coleman took the event with a 10.2 timing.

Melvin Jessup won over Lewis of St. Augustine's with a timing of 23.6. This was really no race as Jessup got off to a very fine start and maintained the lead all the way.

James King of the "Vikings" took the 440-yard run followed by James Jackson also of the "Vikings."

All the spring, students have been seeing Joe Brown run, run and have wondered just what he would do in the distance runs. Well, the answer finally came when Brown came in first in the 880-yard run and the 2-mile run. Both times he had a very strong finish.

Argle Whitfield reached his peak as he came up with winning tosses in the shot put and the discus throw. Whitfield is last year's CIAA discus champion. He also placed in both the AAU and NCAA track events. Whit has high hopes of repeating these feats.

This is the way the final scoring went:

ECSC	66 1/2 Points
St. Augustine's College	33 1/2
St. Paul's College	24
Shaw University	19

As the meet ended, Coach Stallworth had only one comment to make, "The boys were ready."
