Zeta Phi Beta

The Sorors of the Alpha Gamma Chapter of Zeta Phi Beta Sorority, Inc. are expressing their deepest welcome to the new members of the ECSU family. To the returning members we are asking you to get together and make this year one of the most joyous ones in the history of the University.

The "babes in blue" have made a striking entrance into the new school year, and are looking forward to having prosperous pledges resulting in the flourishing of Zeta Power on our campus.

To the women students of ECSU, we extend a cordial invitation to you, in joining one of the most worthy sororities on campus. All it takes is a little "will power" and a lot of "womanhood" to be a Zeta. So if you are wandering which way is the best way, GO ZETA!!

Alpha Phi Omega

Along with many other Greeks that returned for the fall semester at Elizabeth City State University, there was a relatively new group of young men also returning to the institution. This new group is known as the Chi Lambda Chapter of Alpha Phi Omega National Service Fraternity. Along with them, also returned their beautiful and charming sweethearts. The combination of twenty five brothers and twelve sweethearts is almost an unbeatable assimilation of talented and responsible young adults.

It must be stated that these young men would not have been established without the help of their honorary brothers and advisors. These include some very distinguished members of the faculty and staff. They are Dr. Marion Thorpe, University President; Dr. Floyd Holley, University dean of students, Mr. W. C. Witherspoon, Personnel Director, Mr. Charles Penrose, Professor of Music, and Mr. Kenneth Cooper, Dormitory director. These men did their utmost to help provide means and methods of helping to establish the Chi Lambda Chapter of Alpha Phi Omega here at the University.

The brothers, sweethearts, and advisors here at Elizabeth City State University have already begun making plans for the 1971-72 school session. The most important purpose of Alpha Phi Omega is service. The chapter accomplished many projects last semester and hopes to do an even better job this 1971-72 school year. Many of the fraternity's projects are scheduled to begin during the week of September 20, 1971.

Alpha Phi Omega extends a warm welcome to the university, to all returning students and faculty and a special welcome to the class of "75".

The Chi Lambda chapter extends congratulations to Brothers Wilbert Wilson and John Spencer for obtaining a straight "A" average last semester. These brothers are among the few students at ECSU who are able to obtain a 4:00 average.

Science: Deborah Council, New York, N. Y.; Retha Lacy, Jamesville, N. C.; Carolyn Mitchell, Aulander, N. C.; Lena Staton, Tarboro, N. C.; Vernetta Barnes, Edenton, N. C.
